Hello FCS Cybersecurity, Collaborative Group,

I am excited to announce the final details about the 2nd Annual FCS Cybersecurity Competition. The competition will be held in-person on November 15, 2024, at the Florida Department of Education. A special reception will be hosted by Tallahassee State College the evening prior to the competition. This year we are pleased to partner with the Department of Education, the Florida College System Foundation, Cyber Florida at USF, Bill Cramer Chevrolet and Tallahassee State College. It is only through their generous contributions and use of space and equipment that we can bring this competition together in a live setting and to help cover the cost of registration (\$200 per student) and one-night hotel stay for each participant and their college representative.

Additional information is provided below and attached for your convenience.

Registration Information

- Registration deadline is **October 6, 2024**
- Register at: <https://www.research.net/r/2ndCyberSecurity>
- FCS Institutions may register more than one (will be determined based on registration) team.
- Teams must be a minimum of two persons and not more than four.
