Description of Changes:

9/13/2019 Updated the "Braille" names for codes C, D, U and V to align with new braille language/coding.

7/1/2017 Updated existing codes and added additional codes for other types of accommodations.

7/1/2015 Survey 7 Removed from Required Surveys

8/19/2011 This is not a revision, but a correction resulting from an error made during the conversion process to a new data element format. Two codes were omitted from the 2011-12 element that should have carried forward from 2010-11. Thus the codes Q and R are being added back to the data element page.
