

6A-6.0577 Career Dual Enrollment Courses for Florida Education Finance Program Calculation

(1) Districts may request review of career dual enrollment courses and course descriptions to be approved for funding through the Florida Education Finance Program (FEFP). To be approved, career dual enrollment courses must meet the criteria in Section 1011.62(1)(i)2., Florida Statutes. To request review of career dual enrollment courses for approval, districts must submit the following information to the Florida Department of Education's Division of Career and Adult Education: the postsecondary course number, the postsecondary program in which the course is offered, and the industry certification(s) on the CAPE Industry Certification Funding List, found in Rule 6A-6.0576, F.A.C., to which the course leads. These requests must be submitted to industrycertification@fldoe.org.

(2) The list of approved career dual enrollment courses eligible for additional full-time student membership in the FEFP is posted on the Department's website at: <https://www.fldoe.org/academics/career-adult-edu/cape-secondary/resources.shtml>.

(3) In order to generate funding, the student must be enrolled in an eligible career dual enrollment course and the student must earn a grade of "A" or better in the course. This course grade must be assigned by the postsecondary institution of enrollment upon completion of the entire course.
