SUBJECT: CTE Audit Rule Workshop Webinar

Dear Colleagues:

The Department of Education plans to initiate rule development for [6A-10.0342, Florida Administrative Rules](#), Career, and Technical Education Program Performance Reporting.

The purpose of this rule amendment is to update Rule 6A-10.0342, establishing a process and procedure for the implementation of s. 1003.491(5), Florida Statutes. The statute requires the Commissioner of Education to conduct an annual review of K-12 and postsecondary career and technical education offerings. The revised rule will ensure that all K-12 to postsecondary career and technical education programs continue to meet industry demand and remain of high quality and value to Floridians.

A rule workshop is planned for Friday, January 21, 2022, from 1:00 – 2:00 p.m. EDT via webinar. You may register for the workshop at <https://attendee.gotowebinar.com/register/838270282671614992>. After registering, you will receive a confirmation email containing information about joining the webinar.

Please contact Dr. Keith Richard at Keith.Richard@fldoe.org should you have any questions.
