MEMORANDUM

DATE July 16, 2009

TO: District School Superintendents

FROM: Dr. Eric J. Smith

SUBJECT: Certification of the 2009-10 School District Millage Rates and Prior Period Funding Adjustment Millage

On July 15, 2009, the Department of Revenue certified to me the 2009 estimate of the tax roll on which the Florida Education Finance Program (FEFP) Required Local Effort millage rate shall be established. Also certified was the 2007 and 2008 final tax rolls for the purpose of calculating the Prior Period Funding Adjustment Millage pursuant to Section 1011.62(4)(e), F.S., as amended by Chapter 2009-59, Section 29, Laws of Florida. The Prior Period Funding Adjustment Millage offsets the unrealized Required Local Effort revenue resulting from a tax roll decrease that occurs when the certified final tax roll is less than the tax roll used in the FEFP calculations for the 2007-08 and 2008-09 fiscal years.

As required by Section 1011.62(4)(a), Florida Statutes, the 2009 Required Local Effort millage rate for each district is certified to be the rate shown on Attachment 1. The statewide average millage rate is 5.288. Attachment 1 lists the 2009 certified tax roll, the Required Local Effort millage rate, the calculated required local tax amount, the potential discretionary operating millage rate (.748 mills), and summary pages from the 2009-10 FEFP second calculation.
