

Attention curriculum publishers:

Section [1002.67\(2\)\(c\)](#), Florida Statutes (F.S.), requires the Department of Education (DOE) to approve curricula for use by Voluntary Prekindergarten (VPK) providers that are placed on probation as a result of falling below the minimum provider performance metric and designation. The VPK curriculum submission and approval process will identify the highest quality curricula aligned with the *Florida Early Learning and Developmental Standards* for use by these providers.
