1. Submit course information during reporting period 5 for all students in grades 9-12 enrolled in the district during the School Year, including summer school courses, all courses transferred in from other schools, and courses taken for high school credit when the student was in grades below grade 9.

Grade Level	Course Information to Send
12	Grades 9, 10, 11, 12 and any courses below ninth grade that the student took in order to earn credit toward a high school diploma.
11	Grades 9, 10, 11 and any courses below ninth grade that the student took in order to earn credit toward a high school diploma.
10	Grades 9, 10 and any other courses below ninth grade that the student took in order to earn credit toward a high school diploma.
9	Grade 9 and any courses below ninth grade that the student took in order to earn credit toward a high school diploma.

2. Also submit a record for each Algebra course taken by a student in Grade Levels 7 and 8 at any time during the school year and accompanying summer sessions. Algebra courses are course numbers 1200310, 1200320, 1200370, 1200380, [1200386](#), 1200390 and 1209810.
3. Send all courses the student has taken in order to earn credit toward a high school diploma. For example, if a student took Algebra in Grade 8 and is currently in Grade 9, report the Algebra course along with the courses the student took in Grade 9.

8. COURSE NUMBER, SUBSTITUTED: This field is used with the Course Flag field. The presence of an asterisk (*) as one of the four flags in the Course Flag field indicates that the course specified by the number in the Course Number field is a Department of Education approved substitute for the course specified by the number in this field. For example: Course Number is 1802300 ([JROTC](#) Naval Science 1), Course Flag is *, and Course Number Substituted is 1500450 ([JROTC](#) PE Year 1 Waiver). This indicates that the Naval Science 1

course will substitute for the Personal Fitness/Physical Education Activity Elective and HOPE graduation requirement (students under personal fitness option must still take Personal Fitness class).

9. KEY FIELDS: The key fields for this format are item numbers 2-4, 8 and 10-15. If a key field needs to be changed, the record must be deleted and re-submitted as an add.

In this instance, one End of Year Status record will be submitted with Grade Level PK-12 and one with Grade Level 30-31.
3. **School Number, Current Enrollment:** For the PK-12 student, report the last PK-12 school that the student was enrolled in during the regular 180 day school year unless the student was only enrolled in the district during the summer term.
4. **Grade Level:** For the PK-12 student, report the last Grade Level of the student during the regular 180 day School Year.
5. **Grade Promotion Status:** Report code P for any PK-12 student who earned a diploma or certificate at any time during the school year.
6. **Error Codes:** This field is used by the Department to report to districts the specific errors found in the record during the state edit process. This field should contain filler (spaces, blanks) when the record is transmitted to the Department.
7. **Key Fields:** The key fields for this format are item numbers 1, 4, 5, 13 and 19. If a key field needs to be changed, the record must be deleted and re-submitted as an add.

The identifier assigned by the Florida Department of Education to specify the CAPE Digital Tool Certificate, CAPE Industry Certification, CAPE Acceleration Industry Certification, ~~CAPE Innovation Course~~, or other approved industry recognized credential that the student has taken/attempted [during the submission year](#).

See Appendix Z for a list of the Industry Certification Identifiers.

The following procedures apply for CAPE Digital Tool Certificates, CAPE Industry Certifications, CAPE Acceleration Industry Certifications, and other industry recognized credentials.

For certifications or assessments with more than one exam, an industry certification identifier should only be reported when all exams required to earn the certification or pass the assessment have been taken/attempted.

For example, ~~MICRO017-INTUT003~~ - This ~~Microsoft~~ bundle requires passing ~~multiple two~~ exams. Students must have taken ~~the minimum number required both exams to quality~~ for the industry certification identifier to be reported.

For certifications or assessments with work experience requirements, an industry certification identifier may be reported as an attempt when all exams have been taken and any requirements other than work experience are satisfied (i.e., report valid identifier on Industry Certification Identifier element and outcome of "F" on the Industry Certification Outcome element). However, students may not be reported with an "F" for two consecutive years if the only certification requirement outstanding is the work experience.

For example, FLVMA002 - This certification requires the student pass exams and complete 500 hours of work experience. A student may be reported one time with this industry certification identifier and an outcome of "F" if the exams have been taken but the work experience was not successfully completed.

For a student earning an industry certification in a prior year (value of "P" on industry certification outcome), the student may not be reported with that same industry certification identifier in a subsequent reporting year.

FORM 101- Data Element Change

For example, some certifications are released with new versions of software, but the DOE does not issue a new certification code. If a student earned an earlier version of a certification that still has the same certification code, the student may not be reported as attempting or earning that industry certification in any following year.

Reporting on this data element is end of year reporting only for K-12 (Survey 5). The outcome reported should be the final outcome for the reporting year.

For example, INTUT002– If a student took this exam twice during the same year and failed the exam on two occasions, the certification identifier and outcome should only be reported once. If the student took an exam and failed on the first attempt and then the student re-tested on the same exam and earned the certification, only the final outcome on the industry certification identifier should be submitted.

APPENDIX P: DEFINITIONS FOR INCIDENT REPORTING

Incident Type Level	Incident Type	Definition	Examples	Non-Examples:	Note	Related Element	Change Date & Description
LEVEL IV	ALC	ALCOHOL*	(possession, use or sale) - Possession, sale, purchase, or use of alcoholic beverages. Use means the person is caught in the act of using, admits to use or is discovered to have used in the course of an investigation. Alcohol incidents cannot be Drug-related.	Student testing positive for alcohol by law enforcement. Student possessing, using, or selling alcohol.	Student being suspected of using alcohol without evidence. Student smelled of alcohol who after investigation was found to be diabetic.	Law enforcement should be called if someone in authority observes a student, who appears to be intoxicated, getting out of a car after he/she was just seen driving it, or getting into the driver's seat.	Must be Alcohol-Related
LEVEL I	ARS	ARSON*	(intentionally setting a fire on school property) - To intentionally damage or cause to be damaged, by fire or explosion, any dwelling, structure, or conveyance, whether occupied or not, or its contents. Fires that are not intentional, that are caused by accident, or do not cause damage are not required to be reported in SESIR.	Student or other deliberately burning school property (building, fixtures, etc.).	Student or other unintentionally starting a fire.	Report only intentionally-set fires to SESIR.	
LEVEL I	BAT	AGGRAVATED BATTERY*	(intentional great bodily harm) - A battery where the attacker intentionally or knowingly causes more serious injury, such as: great bodily harm, permanent disability, or permanent disfigurement; uses a deadly weapon; or, where the attacker knew or should have known the victim was pregnant.	Student hitting another with a heavy implement over the head resulting in serious injury. Student jabbing a pen into another's arm resulting in serious injury. Student or other engaging in a mutual physical altercation with another and continuing to hit/beat that person even after that person stops fighting, or is no longer able to fight back resulting in serious injury.	Student or other delivering a single poke to the chest. Student or other delivers a single, non-injuring strike to the arm of another. Student or other actively engaging in a fight with each other (refer to <i>Fighting</i> code as a possible SESIR code). Student or other striking back when hit by an aggressor and becoming engaged in a fight with the aggressor. (Refer to <i>Fighting</i> code as a possible SESIR code.)	To distinguish from <i>Fighting</i> , report an incident as Battery only when the force or violence is carried out against a person who is not fighting back.	Must be Injury-Related and Reported to Law Enforcement
LEVEL II	BRK	BURGLARY*	(illegal entry into a facility) - The unlawful entry into or remaining in a dwelling, structure, or conveyance with the intent to commit a crime therein.	Student or other breaking and entering into: a school building during athletic events, a school bus, or a residential garage that is being used for a school-sponsored event. Student or other willfully remaining within a building after it has been secured and committing a crime, such as vandalism or theft.	Student or other entering an unlocked gym, without permission, and using the basketball court. Student or other wandering the halls, after hours, after entering through an unlocked door.	If entry was by force, resulting in facility damage, the incident should be coded as Breaking and Entering/Burglary	

LEVEL IV	BUL	BULLYING**	Systematically and chronically inflicting physical hurt or psychological distress on one or more students or employees that is severe or pervasive enough to create an intimidating, hostile, or offensive environment; or unreasonably interfere with the individual's school performance or participation. Bullying includes instances of cyberbullying.	Student uses a picture phone to take a picture of a student using the bathroom at school and places it on the Internet. Student spreads nasty rumors at school about another person, in conversation, in a note, or through e-mail or instant messaging. Student repeatedly teases another person in a mean way, calling him/her inappropriate names, making fun of his/her appearance, or the way he/she talks, dresses, or acts.	Student calls another student an inappropriate name once.	If the bullying results in any other SESIR incidents do not code the incident as <i>Bullying</i> . Instead, the incident should be coded appropriately with the related element coded as bullying-related.	Must be Bullying-Related	
LEVEL III	DOC	DISRUPTION ON CAMPUS—MAJOR*	(significantly disrupts all or portions of the campus activities, school sponsored events or school bus transportation) - Disruptive behavior that poses a serious threat to the <u>learning environment, health, safety, or welfare</u> of others. Examples of major disruptions include bomb threats, inciting a riot, or initiating a false fire alarm.	Student or other making a bomb threat. Student engaging in disruptive behavior that causes the bus driver to stop the bus to ensure the safety of the group. Student or other causing an incident that results in closing the cafeteria. Student or other inciting a riot. Student or other pulling a fire alarm. Student or other deliberately crashing the school computer system. Student disobeying or showing disrespect to others. Student or other using obscene or inappropriate language or gestures. Student not sitting in seat and/or talking loudly while school bus is moving.	Incidents that affect a single classroom during a single class period <u>should not</u> be reported in SESIR. Although schools may consider the non-examples as <i>Disruption on Campus</i> for SESIR purposes, they are not. However, schools may want to document these types of incidents on their <u>local</u> student discipline referral form. Bomb threats and false bomb reports, as defined in Sections 790.162 and 790.163 Florida Statutes, are considered felony offenses and require expulsion for at least one year and referral for prosecution. Bomb threats fall under the zero tolerance policy (Section 1006.13(3)(b), Florida Statutes).		
LEVEL II	DRD	DRUG SALE/DISTRIBUTION*	(illegal sale or distribution of drugs) - The manufacture, cultivation, sale or distribution of any drug, narcotic, controlled substance or substance represented to be a drug, narcotic, or controlled substance. Student found with a single marijuana cigarette in backpack. (Refer to Drug Use/Possession, DRU).		Must be Drug-Related. Complete the drug description (M, N or O) for all drug sale/distribution incidents. If the incident involves marijuana (M), non controlled substance used as drugs (N) and illicit drugs (O), select the description which represents the most serious offense.	7/1/2024 - Asterisk (*) added to Incident, Type.
LEVEL III	DRU	DRUG USE/POSSESSION*	(illegal drug possession or use) – The use or possession of any drug, narcotic, or controlled substance or any substance when used for chemical intoxication. Student(s) found inhaling or ingesting intoxicants, glue, solvents, or aerosols for hallucinogenic purposes.	Student possessing or using over-the-counter medications in dosage prescribed. Student using inhalers for asthmatic condition. Student possessing drug paraphernalia	Behavioral evidence alone should not be used as a basis for reporting drug use. Although a student giving another an over-the-counter medication may violate school code, it is not reported as a SESIR incident.	Must be Drug-Related. Complete the drug description (M, N or O) for all drug use/possession incidents. If the incident involves marijuana (M), a noncontrolled substance used as a drug (N) and other illicit drugs (O), select the description which represents the most serious offense.	

LEVEL III	FIT	FIGHTING**	(mutual combat, mutual altercation) - When two or more persons mutually participate in use of force or physical violence that requires either physical intervention or results in injury requiring first aid or medical attention. Student becoming engaged in a fight which results in the need for first aid or medical attention for one or both of the participants.	Student engaging in "horseplay." Student verbally confronting another student/teacher. Student or other engaging in pushing and shoving who is easily separated or stopped. Student or other engaging in a fight which is resolved without injury or need for physical restraint.	Schools may want to document lower levels of fighting such as the non-examples listed here on their <u>local</u> student discipline referral form. SERIOUS incidents involving mutual participation should be reported as <i>Fighting</i> , without regard to who was the original aggressor, unless the guidelines for reporting the incident as a <i>Battery</i> apply. Fighting should be reported to SESIR if at least one of the following occurs: (1) <i>Verbal intervention does not stop the fighting and physical restraint is required. For guidance as to who should intervene by using physical restraint, staff should follow local school board policies and procedures.</i> (2) <i>Someone is injured, requiring immediate first aid or subsequent medical attention as a result of the fight.</i>		7/1/2024 - Second asterisk (*) removed from Incident, Type.
LEVEL IV	HAR	HARASSMENT**	Any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal, or physical conduct that places a student or school employee in reasonable fear of harm to his or her person or damage to his or her property, has the effect of substantially interfering with a student's educational performance, opportunities, or benefits, or has the effect of substantially disrupting the orderly operation of a school including any course of conduct directed at a specific person that causes substantial emotional distress in such a person and serves no legitimate purpose. Student possesses pornographic materials depicting others under the age of 18. Student possesses drug paraphernalia.	Student violating probation. Student or other committing crimes off-campus	Sometimes arrests are made on school campuses for incidents that occurred <u>off campus</u> or for circumstances that are not school related. These non-examples include arrests for breaking and entering into an off-campus home or building or arrests for violation of probation. These are not to be reported as SESIR incidents.		7/1/24: Incident Type changed from Other Major to Other Major Offenses.
LEVEL II	PHA	SIMPLE BATTERY*	An actual and intentional striking of another person against his or her will, or the intentional causing of bodily harm to an individual.	Throwing and object and hitting someone hard enough to cause injury.	Student or other engaging in a fight/combat with another and physical restraint is necessary to stop it. Student becoming engaged in a fight which results in the need for first aid or medical attention for one or both of the participants. (Refer to <i>Fighting</i> as a possible SESIR code)			

LEVEL II	ROB	ROBBERY*	(using force to take something from another) - The taking or attempted taking of anything of value that is owned by another person or organization, under the confrontational circumstances of force or threat of force or violence and/or by putting the victim in fear.	Student or other snatching a gold chain off someone's neck. Student or other extorting lunch money. Student or other engaging in "carjacking."	Student or other taking money from an unattended purse. (Refer to <i>Larceny/Theft</i> code as a possible SESIR code)			
LEVEL III	STL	GRAND THEFT (\$750+)*	(taking of property from person, building, or a vehicle) - The unauthorized taking, carrying, riding away, or concealing the property of another person, including motor vehicle, without threat, violence, or bodily harm. Incidents that fall below the \$750 threshold are not reportable in SESIR, but instead should be reported as locally-defined incidents according to district policies.	Student or other embezzling public funds. Student or other stealing an item/items worth \$750 or more. Student finding a checkbook, signing owner's name and making a purchase. Student or other stealing a car or motorcycle.	Student or other borrowing an item without permission. Student or other committing robbery (code as <i>Robbery</i> instead). Student or other stealing an item/items less than \$750.	The item(s) must total \$750 or more in value to report in SESIR. However, it is important for schools to document these types of incidents on their <u>local</u> student discipline referral form. The threshold amount for years prior to and including 2004-05 was \$50. The threshold amount for years 2005-2019 was \$300.		7/1/24: Incident Type changed from Grand Theft to Grand Theft (\$750+).
LEVEL II	SXA	SEXUAL ASSAULT*	An incident that includes threatened rape, fondling, indecent liberties, or child molestation. Both males and females can be victims of sexual assault.	Student or other threatening to rape another.	Kindergarten student threatening another with a sexual act.	Classification of these incidents should take into consideration the age and developmentally appropriate behavior of the offender(s). Young children and students with exceptionalities may make threats without conscious sexual intent. Consult school district student services or psychologist for assessing acting out sexual behaviors that might be indicators of abuse, and use the findings to help determine whether to report the incident as a SESIR incident. Obtain input when the principal is unable to determine if the behavior involving young children is of a sexual nature beyond developmentally appropriate age expectation, when the incident is serious enough to require further investigation, or where students in special education are involved.		
LEVEL I	SXB	SEXUAL BATTERY*	(attempted or actual) - Forced or attempted oral, anal, or vaginal penetration by using a sexual organ or an object simulating a sexual organ, or the anal or vaginal penetration of another by any body part or object. Both males and females can be victims of sexual battery.	Student or other raping someone. Student or other attempting to rape someone.	Students engaging in consensual sex acts. (Consensual sex is not <i>Sexual Battery</i> . Refer to <i>Sexual Offense (Other)</i> as a possible SESIR code.)		Must be Injury-Related and Reported to Law Enforcement	
LEVEL III	SXH	SEXUAL HARASSMENT**	(undesired sexual behavior) - Unwanted verbal or physical behavior with sexual connotations by an adult or student that is severe or pervasive enough to create an intimidating, hostile or offensive educational environment, cause discomfort or humiliation or unreasonably interfere with the individual's school performance or participation as defined in Rule 6A-19.008 F.A.C.	Student or other causing unwanted and ongoing episodes of leering, pinching, grabbing. Student or other making repeated suggestive comments, jokes, or actions of a sexual nature. Student or other pressuring one to engage in sexual activity. Teacher threatening to lower a student's grade if sexual favors are not given. Student or other repeatedly showing a photograph, poster or other visual image of nudity, lewd or sexual activity. Student or other pressuring another student for sexual favors by threatening to prevent him/her from participating in a school activity.	Students engaging in consensual sex. (Refer to <i>Sexual Offense (Other)</i> code as a possible SESIR code.) Student unintentionally brushing up against another in the hallway. A single incident of a kiss that may be unwanted.	In some cases, severe incidents of sexual harassment, which include violent physical contact, may be considered a <i>Battery</i> , or <i>Sexual Battery</i> , if there is physical penetration. Unwanted kissing becomes sufficiently pervasive to report when an individual kisses several others or when an individual kisses another several times.		

LEVEL III	SXO	SEXUAL OFFENSES—OTHER* (Other)	Other sexual contact, including intercourse, without force or threat of force. Includes subjecting an individual to lewd sexual gestures, comments, sexual activity, or exposing private body parts in a lewd manner.	Student or other participating in sexual activity in front of another student. Student or other intentionally exposing genitals. Two students engaging in sexual activity in janitor's closet. Student or other soliciting or encouraging a person to commit a sexual act. Student or other touching the buttocks of another in a lewd, lascivious manner. Student or other making obscene remarks (conduct, which by community standards, is deemed to corrupt public morals by its indecency and/or lewdness).	Students kissing consensually. Student swearing. A kindergarten child relieving himself publicly. A first grade student hugging another. Student inadvertently touching breasts or buttocks of another.	1. Sexual activity between students should be reported to law enforcement immediately so investigation can be conducted regarding illegal conduct. 2. Consideration should be given to developmentally age-appropriate behaviors in coding sexual offenses for students. Young children and students with exceptionalities may expose themselves without conscious sexual intent. 3. Consult school district student services or psychologist for assessing acting out sexual behaviors that might be indicators of abuse, and use the findings to help determine whether to report the incident as a SESIR incident. Obtain input when the principal is unable to determine if the behavior involving young children is of a sexual nature beyond developmentally appropriate age expectation, when the incident is serious enough to require further investigation, or where students in special education are involved.		7/1/24: Incident Type changed from Sexual Offenses (Other) to Sexual Offenses-Other.
LEVEL IV	TBC	TOBACCO**	(cigarettes or other forms of tobacco) - The possession, use, distribution, or sale of tobacco or nicotine products on school grounds, at school-sponsored events, or on school transportation by any person under the age of 21. Tobacco incidents cannot be Drug-related.	A student under 21 possessing and/or smoking cigarettes. A student using smokeless tobacco.	A 21-year-old student smoking a cigar on campus.	Although district codes of student conduct may make it against the <u>district</u> code for students age 21 and older to be smoking on school campus, it still is not in violation of the state statute and should <u>not</u> be reported in SESIR. Tobacco incidents should be coded as "Reported to Law Enforcement" any time a civil citation is written, whether it is by a law enforcement officer or the "designee." (See Section 569.12, Florida Statutes.)		
LEVEL III	TRE	THREAT/INTIMIDATION *	(instilling fear in others) - An incident where there was no physical contact between the offender and victim, but the victim felt that physical harm could have occurred based on verbal or nonverbal communication by the offender. This includes nonverbal threats and verbal threats of physical harm which are made in person electronically or through any other means.	Student or other willfully and repeatedly following another or stalking with intent to cause the person to fear for his/her safety. Student or other who willfully and repeatedly uses email or text message to cause another to fear for his/her safety or cause substantial emotional distress (cyber stalking). Student or other making repeated malicious, credible threats in person or by telephone causing the person to fear for his/her safety. Student telling another he/she could kill or knows people who could kill him/her. Student or other violating a restraining order.	Student or other engaging in mutual combat with another (refer to <i>Battery</i> or <i>Fighting</i> code as possible SESIR code). Student or other actually using force or violence against another (refer to <i>Battery</i> or <i>Fighting</i> code as possible SESIR code). Student waving to another student in the hallway, waiting after class to talk to him/her and calling to ask him/her out.	Any threat of violence towards the school, targeted groups, or individuals that <u>does not contain</u> the <u>three elements</u> of <u>intent</u> , <u>fear</u> , and <u>capability</u> , but does result in school disciplinary action and a police investigation, should be coded as <i>Disruption on Campus</i> (DOC) if it causes a significant campus disruption. A person following another without the intent or result of putting the person in fear of death or bodily injury is a less serious behavior than a person who willfully, maliciously and repeatedly follows, harasses and makes a credible threat with intent to place that person in reasonable fear of death or bodily injury (aggravated stalking). (See 784.048(3) Florida Statutes.)		
LEVEL III	TRS	TRESPASSING *	(illegal entry onto campus) - To enter or remain on school grounds, school transportation, or at a school-sponsored event without authorization or invitation and with no lawful purpose for entry.	Any unauthorized person entering the campus. Any unauthorized person remaining on property after being directed to leave by the chief administrator or designee.	Parent entering the building to pick up his/her child without first getting clearance through the office. Person searching for a phone at a school facility after his/her car has broken down.			
	UBL	UNSUBSTANTIATED BULLYING	After a complete investigation and follow up of a reported bullying incident, the investigator determines that there is not enough evidence to substantiate that the incident meets the criteria of a prohibited act under the definition of bullying as listed in the Jeffery Johnston Stand Up for all Students Act (section 1006.147, F.S.).			For incidents reported as Bullying, found to be unsubstantiated, and determined to be another type of incident: code the original report as Unsubstantiated Bullying and code the incident as what it was determined to be. This is not duplicate reporting since UBL is not counted in the incident totals.		

	UHR	UNSUBSTANTIATED HARASSMENT →	After a complete investigation and follow up of a reported harassment incident, the investigator determines that there is not enough evidence to substantiate that the incident meets the criteria of a prohibited act under definition of harassment as listed in the Jeffrey Johnston Stand Up for all Students Act (section 1006.147, F.S.).			For incidents reported as Harassment found to be unsubstantiated, and determined to be another type of incident: code the original report as Unsubstantiated Harassment <i>and</i> code the incident as what it was determined to be. This is not duplicate reporting since UHR is not counted in the incident totals.		7/1/24: Hyphen deleted from Incident, Type.	
	USA	UNSUBSTANTIATED SEXUAL ASSAULT →	After a complete investigation and follow up of a reported sexual assault incident, the investigator determines that there is not enough evidence to substantiate that the incident meets the criteria of a sexual assault.			For incidents reported as Sexual Assault, found to be unsubstantiated, and determined to be another type of incident: code the original report as Unsubstantiated Sexual Assault <i>and</i> code the incident as what it was determined to be. This is not duplicate reporting since USA is not counted in the incident totals.		7/1/24: Hyphen deleted from Incident, Type.	
	USB	UNSUBSTANTIATED SEXUAL BATTERY →	After a complete investigation and follow up of a reported sexual battery incident, the investigator determines that there is not enough evidence to substantiate that the incident meets the criteria of a sexual battery.			For incidents reported as Sexual Battery, found to be unsubstantiated, and determined to be another type of incident: code the original report as Unsubstantiated Sexual Battery <i>and</i> code the incident as what it was determined to be. This is not duplicate reporting since USB is not counted in the incident totals.		7/1/24: Hyphen deleted from Incident, Type.	
LEVEL III	VAN	CRIMINAL MISCHIEF (\$1000+)* - FELONY VANDALISM:	(destruction, damage, or defacement of school or personal property) - The intentional destruction, damage, or defacement of public or private/personal property without consent of the owner or the person having custody or control of it.	Student or other defacing with graffiti. Student or other keying or scratching a car. Student or other trashing a room resulting in damages of \$1,000 dollars or more.	Student or other accidentally damaging chemistry lab equipment. Student or other causing damages under \$1,000.	The amount of damage must be \$1,000 or more to be reported in SESIR, including time and labor. Previous amount of damage threshold through 2004-05 was \$100. It is important for schools to document lower-level vandalism incidents on their local student discipline referral form.		7/1/24: Incident Type changed from Criminal Mischief - Felony Vandalism to Criminal Mischief (\$1000+).	
LEVEL II	WPO	WEAPONS POSSESSION*	(possession of firearms and other instruments which can cause harm) - Possession of a firearm or any instrument or object as defined by Section 790.001, Florida Statutes, or district code of conduct that can inflict serious harm on another person or that can place a person in reasonable fear of serious harm.	Student or other possessing a firearm. Student using a knife, pocket knife, or other sharp or implement to threaten or harm another.	Student after investigation found to possess a common pocket knife or eating utensil with no intent to harm. Student possessing items not covered under law or district policy such as pointed instruments, pens, or pencils. Student possessing a cutting tool that is being used in art, shop, or other class.	Offenses in this category fall under the zero tolerance policy (Section 1006.13(3) (b), Florida Statutes). Students found committing this offense are to be expelled for one year (not one school year) and referred for criminal prosecution. Effective January 7, 2003, the Legislature amended Section 1006.07(2)(f), Florida Statutes, to remove reference to a knife, and instead references "a weapon as defined in Chapter 790." In 2006, the Legislature amended the weapons definition in Chapter 790 by adding knife and further exempting plastic utensils and blunt-bladed knives and kept the pocketknife exemption. The definition in Section 790.001(13), Florida Statutes, contains those items required to be in a district's code of student conduct and exempts common pocketknife as well as plastic utensils and blunt-bladed knives. It is the legislative intent that districts enforce policies that allow for discretion in determining whether to punish students found to be in possession of items such as pocketknives, plastic utensils, blunt-bladed knives, etc. Possession of any weapon or knife (including a pocketknife) should be reported to law enforcement for investigation. Pocketknives found to be intended to use to harm another should be reported to SESIR.	Must be Weapon-Related. Complete the weapon description i.e., FFirearm, Other (incendiary devices, explosives, etc.); HHandgun; K-Knife; OOther Weapon (objects can become weapons when used for bodily harm, i.e., scissors, letter openers, air-powered "guns", etc.); R-Rifle or Shotgun, U-Unknown Weapon; and Z (not applicable) for all weapon possession incidents. Must be Reported to Law Enforcement.		
The Incident Type Level column provides a preliminary rank order of incident types for school reporting with Level I being the most serious and Level IV being the least serious. If a decision must be made between two incident types, the incident that caused the most injury or the highest loss of property or monetary cost should be reported.									
If a decision must be made between two incident types, the incident that caused the most injury or the highest loss of property or monetary cost should be reported.									
*Incidents that must be reported to SESIR and ARE EXPECTED to include consultation with must be reported to law enforcement									

An incident should be coded as Yes - Reported to Law Enforcement if an official action was taken by a School Resource Officer (SRO)				
or local Law Enforcement Officer such as: a case number was assigned, a report was filed,				
an affidavit was filed, an investigation was conducted and found to be an incident reportable to SESIR OR an arrest was made.				
The presence of, or consultation with, a law enforcement officer or SRO is not sufficient for an incident to be coded as "Reported to Law Enforcement."				
**Incidents that must be reported to SESIR, but MAY NOT NEED to include consultation with be reported to law enforcement.				

"Law enforcement action" means that official action was taken by a School Resource Officer (SRO) or local law enforcement officer in response to a SESIR incident, including but not limited to:
