Legislative Changes

During the 2025 Legislative Session, CS/CS/HB 875 amended Section (s.) 1012.39, Florida Statutes (F.S.), to create a new part-time, non-degreed teacher of fine and performing arts and establishes the following qualifications:

1. The filing of a complete set of fingerprints in the same manner as required by s. 1012.32, F.S.
2. Documentation of education and successful experience, including documentation of:
    a. A high school diploma or the equivalent.
    b. Completion of 3 years of full-time successful experience or the equivalent of part-time experience in the teaching specialization area.

The CCD has been amended to include the new part-time, non-degreed fine and performing arts certification. The CCD database has also been updated to include the certification (code 910) for identified courses in Sections 3, 4, and 5.

The 2025 Legislative Session also passed legislation (CS/CS/CS/HB 1105) that provided an additional waiver option for physical education or performing/fine arts through the completion of two years of marching band.
