Additional Information

- All instructional materials available through this website are copyrighted materials. Access is available for the sole purpose of reviewing the materials as part of the Florida instructional materials review process. Use of these materials for any other purpose is prohibited.
- All ratings and comments on this form are public record and subject to disclosure per Florida Sunshine laws.

Areas of Review

Below is the list of Areas of Review. Each Area of Review has numerous items specific to that Area. Click on an Area of Review to view and respond to each of the items. Each item must have a response in order to be complete. A checkmark (✓) will appear next to the Area once all items have responses and that Area is complete.

When all Areas of Review are complete, the Recommendation link will become available. When the Recommendation link becomes available, you will be provided with a record of how you scored each section of the evaluation in comparison with the state recommended score for each section. Based on your evaluation, you will then make a recommendation either for or against adoption of the materials. After a recommendation for or against the adoption has been made, the evaluation for those materials is complete. After a recommendation for or against the adoption of the materials has been made, the evaluation for those materials is complete.
