Section 1008.22(13), Florida Statutes

**EXECUTIVE SUMMARY**

The proposed amendment revises language in the incorporated uniform assessment calendar template that is no longer applicable.

The passage of House Bill 7069, which went into effect on July 1, 2017, amended section 1012.34, Florida Statutes, to make the use of Florida's Value-Added Model (VAM) optional for the purposes of teacher evaluation. The template is, therefore, being amended to remove "teacher evaluation" as a required use of the statewide, standardized assessments; to ensure the template accurately reflects current purposes, required uses, and statutory citations for the statewide, standardized assessment; and to remove footnotes that pertain only to specific assessments and not to the blank template.

## Uniform Statewide Assessment Calendar

According to Section 1008.22(7)(d), Florida Statutes (F.S.), and State Board of Education Rule 6A-1.094224, Florida Administrative Code (F.A.C.), each school district must complete this uniform calendar with district-required assessment information, publish the calendar to the district website, and provide it to the Department by October 1 of each school year, beginning in 2016–17. Districts must provide completed calendars to schools and include the calendar in their parent guides. In addition, each school must publish the completed calendar on its website.

The statewide assessment information in sections 3 and 4 should not be altered; however, districts may otherwise modify and populate this template to accurately indicate their assessment schedules for the school year.
