**A description of your organization’s financial plan that demonstrates sufficient funds to operate throughout the school year**

AAA Scholarship Foundation – FL, LLC (“AAA-FL”) is a wholly-owned subsidiary of AAA Scholarship Foundation, Inc., a 501(c)(3) non-profit scholarship organization (together, referred to as “AAA”).

AAA-FL is an approved SFO in Florida for the 2022-2023 school year. As an SFO, AAA-FL solicits entities that owe the state of Florida certain taxes for contributions which are then distributed to qualified students in the form of Florida Tax Credit (“FTC”) scholarships so they may attend the eligible private school of their parent’s choice.

AAA-FL is also an approved administrator of the Family Empowerment Scholarship Program for the 2022-2023 school year. The Family Empowerment Scholarship Program is funded by the state of Florida based on the scholarship amounts awarded to each of its approved students. Parents of eligible FES-EO students may use their accounts to pay for the cost of tuition and fees for their eligible child(ren) to attend eligible private schools. Parents of eligible FES-UA students may use the accounts to purchase approved education related goods or services for their eligible child(ren).

AAA regularly monitors liquidity required to meet its scholarship program’s operating needs. AAA does this by identifying and forecasting each program’s liquidity requirements weekly. AAA has various sources of liquidity at its disposal, including cash and cash equivalents, short-term investments, and a bank line of credit of \$500,000 to help manage unanticipated liquidity needs.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, AAA considers all expenditures related to its ongoing program activities, as well as the services undertaken to fund and support those activities, to be general expenditures.

In addition to financial assets available to meet general expenditures over the next 12 months, AAA operates with a balanced budget and anticipates collecting sufficient unrestricted revenue to cover general expenditures not covered by donor-restricted resources.

The following AAA-FL specific cash flow projections demonstrate sufficient funds to operate throughout the school year:

### **A description of how funds are segregated and tracked**

Companies owing certain taxes to the state of Florida may participate in the FTC Scholarship Program. Once a company decides to participate in the FTC Program, they apply directly with the Florida Department of Revenue ("FL DOR"). The FL DOR processes the application and, if approved, notifies the company and the selected Scholarship Funding Organization of the approval. Upon notification, AAA prepares an "invoice" within its accounting system and categorizes (i.e. tracks) it with a code to signify that the contribution is restricted to the FTC Program. AAA provides the invoice to the company and the company

AAA Scholarship Foundation – FL, LLC  
Annual SFO Renewal Application – Attachment D  
For the Fiscal Year Ended 6/30/24 (Page 3)

remits the funds by the deadline stated on the FL DOR approval notice. AAA receives the remittance and deposits it into a segregated bank account set-up specifically to receive FTC remittances as required under Florida statute. The remittance is applied to the invoice within the accounting system using the same tracking code.

For the FES-EO and FES-UA programs, the Florida Department of Education will notify AAA quarterly of students who are approved and will receive funding via ACH Credit directly into the FES-UA program bank account.\* Upon notification, AAA prepares “invoices” within its accounting system and categorizes (i.e. tracks) them with a code to signify that the funding is to be restricted to the corresponding scholarship Program. Once the quarterly payments are received, AAA will transfer the FES-EO funding to its separate segregated bank account and offset the invoices within the accounting system using the same tracking codes.

Four times during the school year, scholarship disbursements to private schools are processed within AAA’s accounting system and each scholarship program disbursement is categorized with the corresponding Program tracking codes. A separate warrant is printed for each eligible/verified student from the segregated FTC and FES-EO Program bank accounts. A separate ACH Debit is processed for each eligible/verified student from the segregated FES-UA Program bank account. Remittances to private schools must be initiated within seven (7) business days of receiving FES-EO and FES-UA funding. Reimbursements, direct payments, and preauthorization requests for eligible FES-UA Program expenditures must be made no later than sixty (60) days from receipt of the required documentation

Administrative expenses (that have been approved) are entered into the accounting system and categorized with an appropriate tracking code. Those expenses are paid from a segregated bank account set-up specifically for operating funds as required by Florida statute.

Paid administrative expenses that have been categorized as attributable to the management and distribution of each eligible scholarship program and deemed to meet the limitations and requirements of the Florida statutes are subsequently reimbursed from the FTC bank account to the segregated operating account periodically.

The procedures described above are audited by the Florida Auditor General during the [statutorily required operational audit](#) and an independent Certified Public Accountant during the [statutorily required annual financial audit](#).

\* The Florida Department of Financial Services’ payment system is designed to remit payments to only one bank account per entity.

AAA analyzes the trends of which counties have increasing numbers of students withdrawing from the programs and we increase our outreach and marketing efforts there. When parents are asked why they are withdrawing their children from the programs, the reasons range from not being able to find a suitable school to transportation issues to disciplinary problems. AAA has worked hard to provide information and assistance to parents searching for a suitable school for their children including: 1) developing a school finder map on our website, providing a step-by-step roadmap to help parents during the school selection and application process, and 3) providing abridged and easy-to-understand worksheets and a handbook based on the award-winning book, [The School Choice Roadmap](#). We believe that the decrease in students withdrawing from the programs is an indication that our efforts are working.

In order to prove initial eligibility, Florida households must complete an application and provide required supporting documentation (see Attachment G). Both online and paper applications become available to the public in mid-March. **There is no application or other fees charged to apply with AAA.**

In order to re-establish eligibility, renewing households with students participating in the Florida Tax Credit Scholarship Program (FTC) and the Family Empowerment Scholarship for Students with Unique Abilities (FES-UA) must complete an AAA application and provide required supporting documentation (see Attachment G). **Please note that the methods used to evaluate FTC scholarship renewal eligibility do not include income re-verification.**

Paper renewal applications are expected to be mailed to renewing FTC and FES-UA families in mid-February. Online applications become available to renewing FTC and FES-UA families a few weeks later on the AAA website.

**There is no requirement for households with students participating in the Family Empowerment Scholarship for Educational Options (FES-EO) to re-establish eligibility.** School Commitment Forms (to indicate intent to continue participation) are expected to be mailed to renewing FES-EO families in early February.

**Application Submission Deadlines**

In order to maintain their priority status, renewing applicants must submit their renewal application or School Commitment Form by the priority processing submission deadline. **For the 2023-2024 school year, we anticipate the priority processing submission deadline will be March 27, 2023.**

**The anticipated initial application submission deadline for the 2023-2024 school year application is May 22, 2023** – except for students in foster care, out-of-home care or a dependent child of a parent who is a member of the United States Armed Forces, who are allowed to apply for a scholarship at any time.

Subsequent application submission deadlines are determined based on scholarship demand and projected funding levels. If funding remains available as of the deadline date listed above, **the application submission deadline date will be extended for an additional eight weeks.** That application submission extension process will continue throughout the school year as long as funding remains available, or until the subsequent school year scholarship applications are released, whichever happens first.

Processing of applications is typically completed within several weeks once ALL required documentation has been received. Parents can check the status of their application by clicking on the “Check the Status of your Application” link on the AAA website.

**Florida Tax Credit Scholarship Program (“FTC”)**

Once applications are in the “Completed” status, a determination letter is mailed to the mailing address that was listed on the application. By law, first priority must be given to eligible renewal students who received a scholarship from an eligible nonprofit scholarship-funding organization or from the State of Florida during the previous school year, next

priority must be given to a student whose household income level does not exceed 185 percent of the federal poverty level or who is in foster care or out-of-home care.

Households that are determined eligible AND receive funding for the upcoming school year will receive a Scholarship Award Letter and a School Commitment Form (SCF) in the mail directly from AAA. Those who are determined ineligible will receive a denial letter in the mail directly from AAA with instructions on how to appeal the decision, if they choose to do so.

The use of a scholarship cannot be postponed. The household must find an eligible private school for their student(s) as soon as they receive a scholarship award letter and School Commitment Form or "SCF". Failure to meet the deadline stated on the SCF will result in the forfeiture of the awarded scholarship. Households should make a copy of the blank SCF before taking it to an eligible private school in case they decide to transfer to a different eligible private school later in the year. By completing the school enrollment form, both the parents and the schools agree to abide by the terms of the AAA Parent/School Handbook.

We remind schools that they should not accept any students without an SCF unless the household: 1) is willing to self-pay their tuition and fees until they are awarded a scholarship and 2) will self-pay if they are not. If a household receives an SCF in error or their eligibility is revoked, the private school that has enrolled the student will be notified as soon as possible. By accepting the scholarship student and scholarship payment, the private school agrees to repay to AAA any incorrectly made or overpayment of funds on behalf of the student.

### **FTC Scholarship Values**

For students who have maintained an active Florida Tax Credit scholarship since the 2018-19 school year or earlier, the award is the greater of these two values:

- 100 percent of the funds allocated per unweighted FTE (base-level + all categorical programs, except for the ESE Guarantee Allocation) per grade level and district ([click here for the district award values](#))
- OR –
- The values listed here:

K – 5th grade – \$6,519  
6th – 8th grade – \$6,815  
9th – 12th grade – \$7,112

For new students, the award is equal to 100% of the funds allocated per unweighted FTE (base-level + all categorical programs, except for the ESE Guarantee Allocation) per grade level and district ([click here for the district award values](#)).

### **FTC Award Priority (citation: HB 7067)**

1. An eligible renewal student who received a scholarship from an eligible nonprofit scholarship-funding organization or from the State of Florida during the previous school year.
2. A sibling of an eligible student who is participating in the scholarship program if the student resides in the same household as the sibling.
3. An eligible student whose household income level does not exceed 185 percent of the federal poverty level or who is in foster care or out-of-home care.
4. An eligible student on a first-come, first-served basis.

### **Family Empowerment Scholarship for Educational Options (“FES-EO”)**

Once initial applications are in the “Completed” status, a determination letter will be mailed to the mailing address that was listed on the application. By law, priority must be given to a student whose household income level does not exceed 185 percent of the federal poverty level or who is in foster care or out-of-home care.

Households that are determined initially eligible will receive a Scholarship Award Letter and a Conditional School Commitment Form (SCF) in the mail directly from AAA. Initially eligible student’s information is securely transferred to the Florida Department of Education to make a final determination of eligibility and funding availability. Households that are determined ineligible will receive a denial letter in the mail directly from AAA with instructions on how to appeal the decision, if they choose to do so. For students who are continuing participation, the parent/guardian will submit a completed SCF to indicate their intention for their child(ren) to continue in the program.

For initially eligible students, the determination letter will instruct the parent/guardian that if the FL DOE finds their child eligible and funding is available, their child will need to be enrolled in an approved private school in order to receive quarterly funding. Initial enrollment (and continued participation) is communicated to AAA by the parent/guardian and school completing the SCF and returning it by the stated deadline.

We remind participating schools that 1) the FL DOE makes the final determination of eligibility and funding availability, 2) they should not accept any students without an SCF unless the household is willing to self-pay their tuition and fees until they receive state funding and 3) the family will need to self-pay if they do not receive an award or if funding is not available. If a household receives an SCF in error or their eligibility is revoked, the private school that has enrolled the student will be notified as soon as possible.

### **FES-EO Scholarship Values**

An FES award is equal to 100 percent of the funds allocated per unweighted FTE (base-level + all categorical programs, except for the ESE Guarantee Allocation) per grade level and district ([click here for the district award values](#)).

### **FES-EO Award Priority (citation: HB 7067)**

1. An eligible student who received a Family Empowerment Scholarship during the previous school year and requested a renewal scholarship award.
2. An eligible student who meets the criteria for an initial award and whose household income level does not exceed 400 percent of the federal poverty level and received a scholarship pursuant to s. 1002.395 during the previous school year but did not receive a renewal scholarship based solely on the eligible nonprofit scholarship-funding organization’s lack of available funds after the organization fully exhausts its efforts to use funds available for awards under ss. 1002.395 and 1002.40(11)(i).
3. An eligible student who meets the criteria for an initial award and spent the prior school year in attendance at a Florida public school and either is on the direct certification list pursuant to s. 1002.395(2)(c) or the student’s household income level does not exceed 185 percent of the federal poverty level. or is currently placed, or during the previous state fiscal year was placed, in foster care or in out-of-home care as defined in s. 39.01.

4. An eligible student who meets the criteria for an initial award and is eligible to enroll in kindergarten. and either is on the direct certification list pursuant to s. 1002.395(2)(c) or the student's household income level does not exceed 185 percent of the federal poverty level. or is currently placed, or during the previous state fiscal year was placed, in foster care or in out-of-home care as defined in s. 39.01.

5. An eligible student who meets the criteria for an initial award and whose household income level does not exceed 400 percent of the federal poverty level. and, in priority order, either has spent the prior school year in attendance at a Florida public school. or is eligible to enroll in kindergarten.

### **Family Empowerment Scholarship for Students with Unique Abilities**

FES-UA scholarships are awarded to eligible students in the following priority order: renewing students from the previous school year; students retained on the previous school year's wait list; newly approved applicants; and late-filed applicants on a first-completed, first-awarded basis.

Eligibility is conditional until the Florida Department of Education has cross-checked the student against the rosters for public school and the other Florida scholarship programs. The cross-checks continue as new applications are found conditionally eligible until all available funds have been exhausted.

Scholarship accounts begin being funded by the Florida Department of Education in July and then continue quarterly. The state determines the level of funding for the program each year. If sufficient funding runs out or is not available, eligible students will be placed on a waiting list.

### **FES-UA Scholarship Values**

The award for a new student entering the program shall be based on the student's district or residence and matrix level of services ([click here for the award values](#)). The funding for a student without a matrix of services shall be based on the matrix that assigns the student to support Level III of services. If a parent chooses to request and receive a matrix of services from the school district, when the school district completes the matrix, the amount of the award value shall be adjusted by the Florida Department of Education as needed.

### **FES-UA Award Priority (citation: HB 7045)**

1. Renewing students from the previous school year
2. Students retained on the previous school year's wait list
3. An eligible student who meets the criteria for an initial award pursuant to s. 1002.394 (3)(b)

## Independent Auditor's Report

The Board of Directors  
AAA Scholarship Foundation, Inc. and Subsidiary  
Tampa, Florida

### Opinion

We have audited the consolidated financial statements of AAA Scholarship Foundation, Inc. and Subsidiary (collectively "AAA"), a non-profit organization, which comprise the consolidated statements of financial position as of June 30, 2022 and 2021, the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of AAA Scholarship Foundation, Inc. and Subsidiary as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of AAA and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AAA's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the AAA's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AAA's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated October 28, 2022, on our consideration of AAA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of AAA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering AAA's internal control over financial reporting and compliance.

## Notes to Consolidated Financial Statements

June 30, 2022 and 2021

### I. Description of Organization

AAA Scholarship Foundation, Inc. ("AAA") is a Georgia not-for-profit organization which incorporated March 26, 2010. AAA's charitable mission is: 1) promoting relief to the poor and underprivileged and 2) promoting the advancement of education.

AAA works to ensure families can afford to access the customized K-12 learning options they need to effectively educate their children. AAA believes that educational choice programs spur improvements by equipping parents with the resources to seek the best education for their children. AAA's primary focus is in providing educational scholarships (up to grade 12) to children from low-income and working-class families and to children with disabilities.

AAA Scholarship Foundation - FL, LLC ("AAA-FL") is a wholly-owned subsidiary of AAA that commenced operation in December 2013.

AAA is an approved Scholarship Organization ("SO") in Georgia, Arizona, and Nevada. AAA-FL is an approved SO in Florida. As a SO, AAA and AAA-FL (together, referred to as "AAA") may receive re-directed taxes from taxpayers, which are then distributed to qualified students in the form of scholarships so they may attend the qualified private school of their parent's choice. Below are tables summarizing the five state tax credit programs administered by AAA during the twelve months ended June 30, 2022:

AAA is also an approved administrator of Florida’s two Education Savings Accounts: 1) Family Empowerment Scholarship for Educational Options (“FES-EO”) formerly known as the Family Empowerment Scholarship, and 2) Family Empowerment Scholarship for Students with Unique Abilities (“FES-UA”) formerly known as the Gardiner Scholarship Program and the Florida Personal Learning Account or PLSA.

FES-EO was established in 2019 to provide an educational lifeline to students waiting for an opportunity to find the school that will best work for them and puts more parents in the driver’s seat to determine the best educational environments for their children. FES-EO was administered by the Florida Department of Education prior to the 2021-2022 school year. FES-EO is funded through the Florida Education Finance Program.

FES-UA was established in 2014 to provide parents the option to better meet the individual needs of their disabled children. Parents of eligible Florida children may use the accounts to purchase approved education related goods or services. Beginning in the 2021-2022 school year, FES-UA is funded through the Florida Education Finance Program. Prior to July 1, 2021, it was funded by a grant from the FL DOE.

## 2. Summary of Significant Accounting Policies

### Accounts Receivable

Accounts receivable consists primarily of pledges receivable. Pledges receivable represent unconditional promises to give and are recorded as receivable and revenue at fair value when received. Management evaluates the collectability of its pledges receivable and records an allowance for estimated uncollectible amounts, if necessary.

## 2. Summary of Significant Accounting Policies (Continued)

### Advertising Costs

Advertising costs are expensed as incurred. The amount charged for advertising expense for the twelve months ended June 30, 2022 and 2021 was \$2,325 and \$63,612, respectively.

### Basis of Presentation

The consolidated financial statements of AAA have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. AAA is required to report information regarding its financial position and activities according to two classes of net assets:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed stipulations.

Net assets with donor restrictions - Net assets subject to donor-imposed stipulations that may or will be met either by actions of AAA and/or the passage of time. When a restriction is met or expires, net assets with donor restrictions are reclassified to net assets without restrictions and reported in the consolidated statement of activities as net assets released from restrictions.

### Cash and Cash Equivalents

AAA considers currency held in demand deposits with financial institutions to be cash and cash equivalents. AAA maintains its cash accounts at a commercial institution. Deposits on account at commercial banks are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per account. At June 30, 2022 and 2021, cash on deposit at a commercial bank exceeded the \$250,000 FDIC limit by \$64,030,171 and \$46,796,878, respectively.

### Change in Accounting Principles

AAA implemented the Financial Accounting Standards Board (FASB) ASU. 2019-04 as of July 1, 2020. The new standard exempts entities other than public business entities from fair value disclosure requirements for financial instruments not measured at fair value on the statement of financial position.

The FASB has issued certain new or modifications to, or interpretations of, existing accounting guidance in addition to the ASU described above. AAA has considered the new pronouncements and does not believe that any other new or modified guidance will have a material impact on its reported financial position or activities in the near term.

### Contributions

Contributions received are recorded as net assets with or without donor restrictions depending on the existence and/or nature of any donor imposed stipulations.

Contributions of donated noncash assets are recorded at fair value in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received. AAA recognized \$0 and \$0 of donated services during the twelve months ended June 30, 2022 and 2021, respectively.

## 2. Summary of Significant Accounting Policies (Continued)

### Estimates

The presentation of consolidated financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

### Fair Value

ASC 820 defines fair value, establishes a framework for measuring fair value and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities AAA has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs would be developed based on the best information available in the circumstances and may include AAA's own data).

### Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefitted.

### Funds Held for Others

Funds administered for students participating in the Family Empowerment Scholarship Programs are recorded to scholarships payable and cash or other financial assets in order to reflect the agency-type nature of the program under ASC 958. As parents/guardians use the funds in accordance with State of Florida guidelines, the corresponding asset and liability accounts are reduced accordingly.

### Income Taxes

AAA is exempt from Federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, AAA is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purposes. AAA has determined that it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS. The tax years from 2017 through 2022 remain subject to examination by the Internal Revenue Service.

## 2. Summary of Significant Accounting Policies (Continued)

### Investments

AAA invests cash in excess of its immediate needs in Prime and Treasury money market funds, Fixed Income mutual funds and U.S. government securities, corporate bonds, municipal bonds, asset backed securities and sweep bank deposits. Investments are reported at fair value, with the related gains and losses recorded in the consolidated statement of activities, unless they are classified as held to maturity and reported at amortized cost.

### Principles of Consolidation

The consolidated financial statements include the accounts of AAA Scholarship Foundation, Inc. and its wholly-owned subsidiary, AAA Scholarship Foundation-FL, LLC. All significant intercompany transactions have been eliminated in consolidation.

### Property and Equipment

AAA records property and equipment additions over \$2,500 at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 30 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the consolidated statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

AAA reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the twelve months ended June 30, 2022 and 2021.

## 3. Liquidity and Financial Asset Availability

AAA regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. AAA has various sources of liquidity at its disposal, including cash and cash equivalents, short-term investments, and a bank line of credit of \$500,000 to help manage unanticipated liquidity needs.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, AAA considers all expenditures related to its ongoing program activities, as well as the services undertaken to fund and support those activities, to be general expenditures.

In addition to financial assets available to meet general expenditures over the next 12 months, AAA operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources.

When practicable, AAA invests cash in excess of daily requirements in short-term investments. Effective July 1, 2016, AAA's governing board designated unrestricted interest and investment income earned on tax credit contributions to be used for any reasonable and appropriate purpose as determined by the President and approved by the board. Prior to that date, unrestricted earnings on tax credit contributions were designated for funding additional scholarships only. Although AAA does not intend to spend these board-designated funds on any general expenditures other than scholarships; if needed, these funds would become available with board approval.

### 6. Investments

AAA determines the appropriate classification of its investments in debt and equity securities at the time of purchase and reevaluates such determinations at each consolidated statement of financial position date. Securities are classified as held to maturity when the holder has the positive intent and ability to hold the securities to maturity. Held-to-maturity securities are recorded as either short or long-term on the amortized cost. Trading securities are bought and held principally for the purpose of selling them in the near term. Trading securities are stated at fair value on the consolidated statement of financial position, with unrealized gains and losses reported as investment returns.

### 9. Leases

On July 1, 2019, AAA adopted ASC 842, Leases ("Topic 842") using the modified retrospective transition method. Topic 842 requires the recognition of lease assets and liabilities for operating and finance leases. Beginning on July 1, 2019, AAA's consolidated financial statements are presented in accordance with the revised policies.

Management elected to utilize the practical expedients permitted under the transition guidance within Topic 842, which allowed AAA to carry forward prior conclusions about lease identification, classification and initial direct costs for leases entered prior to adoption of Topic 842. Additionally, management elected not to separate lease and non-lease components for all of AAA's leases. For leases with a term of 12 months or less, management elected the short-term lease exemption, which allowed AAA to not recognize right-of-use assets ("ROU") or lease liabilities for qualifying leases existing at transition and new leases AAA may enter into in the future.

Tax Credit Scholarships and Family Empowerment Scholarship for Educational Options disbursements are generally disbursed in four installments each school year after receipt of completed verification reports from the schools. The verification reports limit the risk that a scholarship check might be issued for a student who has withdrawn from an eligible private school or the student's parent or guardian has not complied with their responsibilities under the programs.

Family Empowerment Scholarship for Students with Unique Abilities program disbursements are made pursuant to a request from a student's parent or guardian for an authorized education-related good or service. The disbursements are made electronically and may be made to a private school, a vendor or as a reimbursement to a parent or guardian.

## **Contract Compliance**

**Report on Internal Control over Financial Reporting and on  
Compliance and Other Matters Based on an Audit of Financial  
Statements Performed in Accordance with Government Auditing  
Standards**

**Independent Auditor's Report**

The Board of Directors  
AAA Scholarship Foundation, Inc. and Subsidiary  
Tampa, Florida

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the consolidated financial statements of AAA Scholarship Foundation, Inc. and Subsidiary (collectively "AAA"), which comprise the consolidated statement of financial position as of June 30, 2022, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated October 28, 2022.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered AAA's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of AAA's internal control. Accordingly, we do not express an opinion on the effectiveness of AAA's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether AAA's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Part IV, Line 2b - Escrow Liability Arrangement Explanation**

The Family Empowerment Scholarship for Students with Unique Abilities or "FES-UA" (formerly the Florida Gardiner Scholarship Program) was established by the State of Florida to provide educational options to eligible households in order to better meet the individual learning needs of their disabled children.

Parents and guardians of eligible Florida children may use the FES-UA to purchase approved education-related goods or services.

AAA is an approved administrator of the FES-UA and acts in an agency capacity for its beneficiary students, therefore, no revenues or expenses related to the Program scholarship funds are reported by AAA. Instead, the Program fund balance is reported as both an asset and a liability on AAA's

**Part XIII Supplemental Information** (continued)**Statement of Financial Position.**

During the current year, AAA distributed approximately \$9 million of the approximately \$10.1 million in net Program funding received, leaving a balance of approximately \$9.1 million held for the benefit of FES-UA students at year end.

The Family Empowerment Scholarship for Educational Options or "FES-EO" was established by the State of Florida in 2019 to provide an educational lifeline to students waiting for an opportunity to find the school that will best work for them.

Parents and guardians of eligible Florida children may use the FES-EO to pay for tuition and fees at eligible private schools.

AAA is an approved administrator of the FES-EO and acts in an agency capacity for its beneficiary students, therefore, no revenues or expenses related to the Program scholarship funds are reported by AAA. Instead, the Program fund balance is reported as both an asset and a liability on AAA's Statement of Financial Position.

During the current year, AAA distributed all of the approximately \$1.5 million in net Program funding received, leaving a balance of \$0 held for the benefit of FES-EO students at year end.

**Part X - FIN 48 Footnote**

AAA is exempt from Federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, AAA is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purposes. AAA has determined

**Part XIII Supplemental Information** *(continued)*

that it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS. The tax years from 2017 through 2022 remain subject to examination by the Internal Revenue Service.

## Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds

## Individuals:

In order to prove their eligibility, households must complete AAA's application and provide supporting documentation by the stated deadline. The household must meet both the state and AAA's requirements in order to be determined eligible.

Once processing of an application is complete, a determination letter is mailed to the address on file. Those who are determined eligible will receive a scholarship award letter. Those determined ineligible will receive a denial letter. The use of a scholarship cannot be postponed.

If the household is using the scholarship for eligible expenses related to a private school, they must enroll the student into an eligible private school as soon as they receive a scholarship award letter.

Four times during the school year, AAA sends the school a verification form to ascertain whether the student remains enrolled and is current on any funds personally owed to the school. If the verification report is returned to AAA by the deadline, AAA then disburses one quarter of the scholarship award in the form of a check mailed directly to the school. The parent/guardian must restrictively endorse the check over to the school before it can be deposited.

If the scholarship is being used for education-related expenses for a student who is disabled and being home-schooled, the parent/guardian must submit a written request for payment (including supporting documents) for approval before a scholarship payment is disbursed.

Florida law requires that net eligible contributions remaining on September 30th of each year that are in excess of 25 percent of net eligible contributions held on the prior June 30th to be transferred to other eligible nonprofit scholarship-funding organizations to provide scholarships for eligible students.

In order to comply with Florida law, AAA transferred a total of \$51,650,000 to an eligible nonprofit scholarship-funding organization in the form of grants during the fiscal year. By accepting the funds, the grantee agreed and confirmed that it: 1) is in full compliance with Florida's Solicitation of Contributions Act, and 2) is in full compliance with both the statute and rules governing the Program, and 3) is legally eligible to accept the grant, and 4) will deposit these funds into its Program scholarship account, and 5) will separately disclose the amount received in its annual financial audit.

**Form 990 - Organization's Mission**

The AAA Scholarship Foundation, Inc. ("AAA") is a Georgia not-for-profit organization incorporated March 26, 2010. AAA's mission is to: 1) promote relief to the poor and underprivileged and 2) promote the advancement of education.

We carry-out our mission by administering various legislatively-authorized scholarship programs that help ensure economically-disadvantaged families and families of children with disabilities have equal access to the customized learning options they need to effectively educate their children.

AAA is an approved Scholarship Organization (SO) in Georgia, Arizona, Florida, and Nevada. As an SO, AAA may receive re-directed state taxes from individual and corporate taxpayers. These re-directed funds are then distributed to eligible students in the form of scholarships (up to grade 12) so they may access the educational environments that best fit their learning needs.

AAA understands that families fighting generational poverty see education as the surest means to upward mobility. AAA scholarships help support the individual efforts of these families by removing many of the financial barriers these parents face as they seek the best educational settings for their children.

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

Please see enclosed Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, for some helpful information about your responsibilities as an exempt organization.

Dear AAA SCHOLARSHIP FOUNDATION INC:

We issued you a determination letter in SEPTEMBER 2010, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c) (03).

Our records also indicate you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If a return is required, you must file Form 990, 990-EZ, 990-N, or 990-PF by the 15th day of the fifth month after the end of your annual accounting period. IRC Section 6033(j) provides that, if you don't file a required annual information return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

For tax forms, instructions, and publications, visit [www.irs.gov](http://www.irs.gov) or call 1-800-TAX-FORM (1-800-829-3676).

AAA Scholarship Foundation – FL, LLC  
 Annual SFO Renewal Application – Attachment D  
 For the Fiscal Year Ended 6/30/24

**A description of your organization’s financial plan that demonstrates sufficient funds to operate throughout the school year**

AAA Scholarship Foundation – FL, LLC (“AAA-FL”) is a wholly-owned subsidiary of AAA Scholarship Foundation, Inc., a 501(c)(3) non-profit scholarship organization (together, referred to as “AAA”).

AAA-FL is an approved SFO in Florida for the 2022-2023 school year. As an SFO, AAA-FL solicits entities that owe the state of Florida certain taxes for contributions which are then distributed to qualified students in the form of Florida Tax Credit (“FTC”) scholarships so they may attend the eligible private school of their parent’s choice.

AAA-FL is also an approved administrator of the Family Empowerment Scholarship Program for the 2022-2023 school year. The Family Empowerment Scholarship Program is funded by the state of Florida based on the scholarship amounts awarded to each of its approved students. Parents of eligible FES-EO students may use their accounts to pay for the cost of tuition and fees for their eligible child(ren) to attend eligible private schools. Parents of eligible FES-UA students may use the accounts to purchase approved education related goods or services for their eligible child(ren).

AAA regularly monitors liquidity required to meet its scholarship program’s operating needs. AAA does this by identifying and forecasting each program’s liquidity requirements weekly. AAA has various sources of liquidity at its disposal, including cash and cash equivalents, short-term investments, and a bank line of credit of \$500,000 to help manage unanticipated liquidity needs.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, AAA considers all expenditures related to its ongoing program activities, as well as the services undertaken to fund and support those activities, to be general expenditures.

In addition to financial assets available to meet general expenditures over the next 12 months, AAA operates with a balanced budget and anticipates collecting sufficient unrestricted revenue to cover general expenditures not covered by donor-restricted resources.

The following AAA-FL specific cash flow projection demonstrates sufficient funds to operate throughout the school year:

## **A description of how funds are segregated and tracked**

Companies owing certain taxes to the state of Florida may participate in the FTC Scholarship Program. Once a company decides to participate in the FTC Program, they apply directly with the Florida Department of Revenue ("FL DOR"). The FL DOR processes the application and, if approved, notifies the company and the selected Scholarship Funding Organization of the approval. Upon notification, AAA prepares an "invoice" within its accounting system and categorizes (i.e. tracks) it with a code to signify that the contribution is restricted to the FTC Program. AAA provides the invoice to the company and the company remits the funds by the deadline stated on the FL DOR approval notice. AAA receives the remittance and deposits it into a segregated bank account set-up specifically to receive FTC remittances as required under Florida statute. The remittance is applied to the invoice within the accounting system using the same tracking code.

For the FES-EO and FES-UA programs, the Florida Department of Education will notify AAA quarterly of students who are approved and will receive funding via ACH Credit directly into the FES-UA program bank account.\* Upon notification, AAA prepares "invoices" within its accounting system and categorizes (i.e. tracks) them with a code to signify that the funding is to be restricted to the corresponding scholarship Program. Once the quarterly payments are received, AAA will transfer the FES-EO funding to its separate segregated bank account and offset the invoices within the accounting system using the same tracking codes.

Four times during the school year, scholarship disbursements to private schools are processed within AAA's accounting system and each scholarship program disbursement is categorized with the corresponding Program tracking codes. A separate warrant is printed for each eligible/verified student from the segregated FTC and FES-EO Program bank accounts. A separate ACH Debit is processed for each eligible/verified student from the segregated FES-UA Program bank account. Remittances to private schools must be initiated within seven (7) business days of receiving FES-EO and FES-UA funding. Reimbursements, direct payments, and preauthorization requests for eligible FES-UA Program expenditures must be made no later than sixty (60) days from receipt of the required documentation

Administrative expenses (that have been approved) are entered into the accounting system and categorized with an appropriate tracking code. Those expenses are paid from a segregated bank account set-up specifically for operating funds as required by Florida statute.

Paid administrative expenses that have been categorized as attributable to the management and distribution of each eligible scholarship program and deemed to meet the limitations and requirements of the Florida statutes are subsequently reimbursed from the FTC bank account to the segregated operating account periodically.

The procedures described above are audited by the Florida Auditor General during the [statutorily required operational audit](#) and an independent Certified Public Accountant during the [statutorily required annual financial audit](#).

\* The Florida Department of Financial Services' payment system is designed to remit payments to only one bank account per entity.

**A description of the geographic region that the organization intends to serve and an analysis of the demand and unmet need for eligible students in that area.**

AAA Scholarship Foundation – FL, LLC serves the children of families throughout the state of Florida. Pursuant to HB 7045, initial household income eligibility for the Florida Tax Credit Scholarship Program may not exceed 375 percent of the federal poverty level.

The United States Census Bureau estimates Florida’s 2020 population at 21.54 million people with 13.3 percent of them living below the federal poverty threshold.<sup>1</sup> For 2020, the federal poverty threshold was \$26,246 for a family of two adults and two children under age 18.<sup>2</sup>

According to the National Center for Children in Poverty, for 2019 there were 2,070,881 Florida families with 4,096,336 children; approximately 45 percent of those children live in families with household incomes below \$51,852 for a family of four with two children.<sup>3</sup>

Below is a breakdown of the 2019 Florida household income demographics for Florida’s children as published by Kids Count, a project of the Annie E. Casey Foundation:

- 2,207,000 children are at or below 250 percent of the federal poverty threshold<sup>4</sup>
- 1,787,000 children are at or below 200 percent of the federal poverty threshold<sup>5</sup>
- 1,276,000 children are at or below 150 percent of the federal poverty threshold<sup>6</sup>
- 737,000 children are at or below 100 percent of the federal poverty threshold<sup>7</sup>

The Florida Department of Education’s 2021-22 Annual Report on Private Schools<sup>8</sup> states that “[o]f the 3,249,259 statewide total PK-12 student enrollment in the 2021-22 school year, 416,084 (12.8%) were private school students, and 2,833,175 (87.2%) were public school students.” That same report lists the number of private schools during the same time period as 2,848 with the following enrollment by grade:

<u>GRADE LEVEL</u>	<u>STUDENTS</u>	<u>PERCENTAGE OF TOTAL ENROLLMENT</u>

The Florida Department of Education’s February 2022 FTC Quarterly Report<sup>9</sup> notes that 85,030 students used the Florida Tax Credit (FTC) Scholarship to assist them in paying for tuition, books and fees at 1,972 eligible private schools during the 2021-2022 school year.

Adjusting for Pre-K students who are not eligible for FTC scholarships, we calculate that 374,962 private school seats were available to students in grades K – 12 ( $416,084 - 41,122 = 374,962$ ).

Assuming an even distribution of students across all Florida private schools, we calculate an average of 132 grade K – 12 seats available per private school ( $374,962 / 2,848 = 132$ ).

Extrapolating that average to the 1,972 eligible private schools already accepting the FTC scholarships results in 260,304 seats potentially available for FTC scholarship students ( $1,972 \times 132 = 260,304$ ).

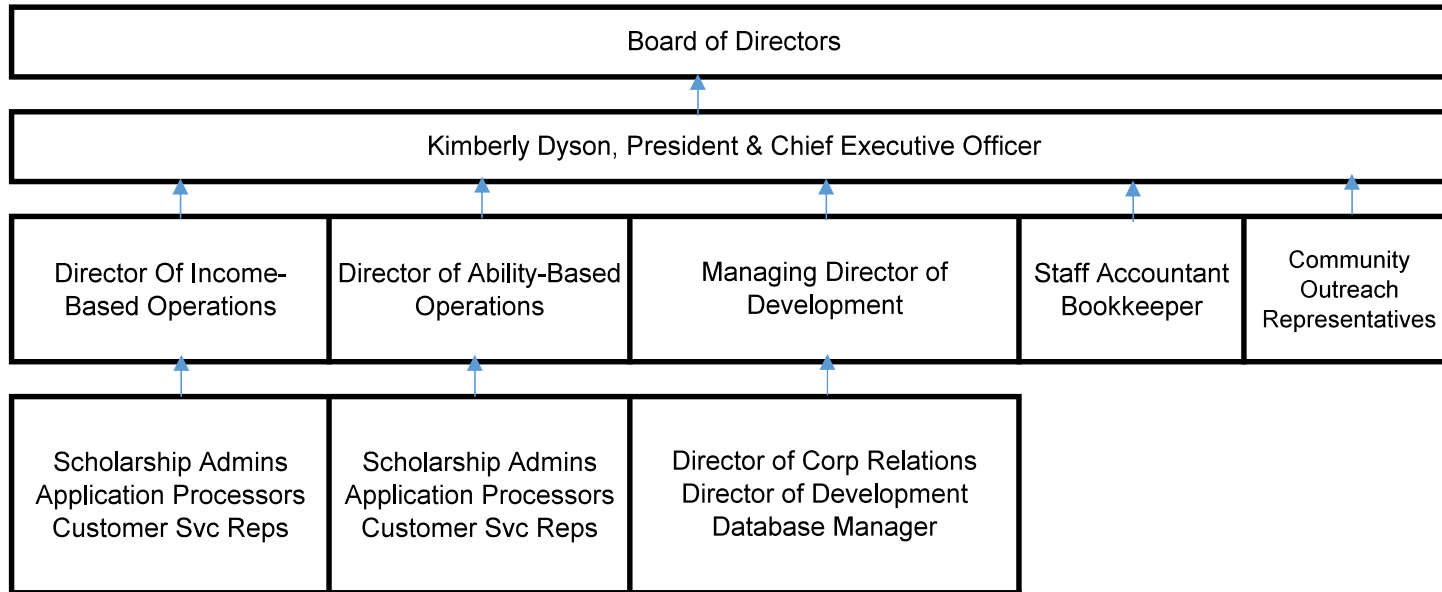

The fact that over 2.2 million Florida children are living in households earning at or below 250 percent of the federal poverty threshold, makes it reasonable to deduce that there may be at least an additional 175,274 eligible students for whom a seat in an eligible private school would be available and who subsequently represent the current demand and unmet need for eligible students in Florida ( $260,304 - 85,030 = 175,274$ ).

  - b. Documentation consists of a Sworn Compliance Form

**A description of the application process, including deadlines and any associated fees (for all Florida programs unless stated otherwise).**

In order to prove initial eligibility, Florida households must complete an application and provide required supporting documentation (see Attachment G). Both online and paper applications become available to the public in mid-March. There is no application or other fees charged to apply with AAA.

In order to re-establish eligibility, renewing households with students participating in the Florida Tax Credit Scholarship Program (FTC) and the Family Empowerment Scholarship for Students with Unique Abilities (FES-UA) must complete an AAA application and provide required supporting documentation (see Attachment G). Paper renewal applications are expected to be mailed to renewing FTC and FES-UA families in mid-February. Online applications become available to renewing FTC and FES-UA families a few weeks later on the AAA website.

There is no requirement for households with students participating in the Family Empowerment Scholarship for Educational Options (FES-EO) to re-establish eligibility. School Commitment Forms (to indicate intent to continue participation) are expected to be mailed to renewing FES-EO families in early February.

In order to maintain their priority status, renewing applicants must submit their renewal application or School Commitment Form by the priority processing deadline. For the 2022-2023 school year, the priority processing deadline was March 28, 2022.

Application submission deadlines are determined based on scholarship demand and projected funding levels. The current deadline for the 2021-2022 school year application is September 16, 2022 – except for students in foster care, out-of-home care or a dependent child of a parent who is a member of the United States Armed Forces, who are allowed to apply for a scholarship at any time.

Processing of applications is typically completed within several weeks once ALL required documentation has been received. Parents can check the status of their application by clicking on the “Check the Status of your Application” link on the AAA website.

**Florida Tax Credit Scholarship Program (“FTC”)**

Once applications are in the “Completed” status, a determination letter is mailed to the mailing address that was listed on the application. By law, first priority must be given to eligible renewal students who received a scholarship from an eligible nonprofit scholarship-funding organization or from the State of Florida during the previous school year, next priority must be given to a student whose household income level does not exceed 185 percent of the federal poverty level or who is in foster care or out-of-home care.

Households that are determined eligible AND receive funding for the upcoming school year will receive a Scholarship Award Letter and a School Commitment Form (SCF) in the mail directly from AAA. Those who are determined ineligible will receive a denial letter in the mail directly from AAA with instructions on how to appeal the decision, if they choose to do so.

The use of a scholarship cannot be postponed. The household must find an eligible private school for their student(s) as soon as they receive a scholarship award letter and School Commitment Form or “SCF”. Failure to meet the deadline stated on the SCF will result in the forfeiture of the awarded scholarship. Households should make a copy of the blank SCF before

taking it to an eligible private school in case they decide to transfer to a different eligible private school later in the year. By completing the school enrollment form, both the parents and the schools agree to abide by the terms of the AAA Parent/School Handbook.

We remind schools that they should not accept any students without an SCF unless the household: 1) is willing to self-pay their tuition and fees until they are awarded a scholarship and 2) will self-pay if they are not. If a household receives an SCF in error or their eligibility is revoked, the private school that has enrolled the student will be notified as soon as possible. By accepting the scholarship student and scholarship payment, the private school agrees to repay to AAA any incorrectly made or overpayment of funds on behalf of the student.

### FTC Scholarship Values

For students who have maintained an active Florida Tax Credit scholarship since the 2018-19 school year or earlier, the award is the greater of these two values:

- 100 percent of the funds allocated per unweighted FTE (base-level + all categorical programs, except for the ESE Guarantee Allocation) per grade level and district ([click here for the district award values](#))
- OR –
- The values listed here:

K – 5th grade – \$6,519  
6th – 8th grade – \$6,815  
9th – 12th grade – \$7,112

For new students, the award is equal to 100% of the funds allocated per unweighted FTE (base-level + all categorical programs, except for the ESE Guarantee Allocation) per grade level and district ([click here for the district award values](#)).

### **Family Empowerment Scholarship for Educational Options (“FES-EO”)**

Once initial applications are in the “Completed” status, a determination letter will be mailed to the mailing address that was listed on the application. By law, priority must be given to a student whose household income level does not exceed 185 percent of the federal poverty level or who is in foster care or out-of-home care.

Households that are determined initially eligible will receive a Scholarship Award Letter and a Conditional School Commitment Form (SCF) in the mail directly from AAA. Initially eligible student’s information is securely transferred to the Florida Department of Education to make a final determination of eligibility and funding availability. Households that are determined ineligible will receive a denial letter in the mail directly from AAA with instructions on how to appeal the decision, if they choose to do so. For students who are continuing participation, the parent/guardian will submit a completed SCF to indicate their intention for their child(ren) to continue in the program.

For initially eligible students, the determination letter will instruct the parent/guardian that if the FL DOE finds their child eligible and funding is available, their child will need to be enrolled in an approved private school in order to receive quarterly funding. Initial enrollment (and continued participation) is communicated to AAA by the parent/guardian and school completing the SCF and returning it by the stated deadline.

We remind participating schools that 1) the FL DOE makes the final determination of eligibility and funding availability, 2) they should not accept any students without an SCF unless the household is willing to self-pay their tuition and fees until they receive state funding and 3) the family will need to self-pay if they do not receive an award or if funding is not available. If a household receives an SCF in error or their eligibility is revoked, the private school that has enrolled the student will be notified as soon as possible.

#### FES-EO Scholarship Values

An FES award is equal to 100 percent of the funds allocated per unweighted FTE (base-level + all categorical programs, except for the ESE Guarantee Allocation) per grade level and district ([click here for the district award values](#)).

#### **Family Empowerment Scholarship for Students with Unique Abilities**

FES-UA scholarships are awarded to eligible students in the following priority order: renewing students from the previous school year; students retained on the previous school year's wait list; newly approved applicants; and late-filed applicants on a first-completed, first-awarded basis.

Eligibility is conditional until the Florida Department of Education has cross-checked the student against the rosters for public school and the other Florida scholarship programs. The cross-checks continue as new applications are found conditionally eligible until all available funds have been exhausted.

Scholarship accounts begin being funded by the Florida Department of Education in July and then continue quarterly. The state determines the level of funding for the program each year. If sufficient funding runs out or is not available, eligible students will be placed on a waiting list.

#### FES-UA Scholarship Values

The award for a new student entering the program shall be based on the student's district or residence and matrix level of services ([click here for the award values](#)). The funding for a student without a matrix of services shall be based on the matrix that assigns the student to support Level III of services. If a parent chooses to request and receive a matrix of services from the school district, when the school district completes the matrix, the amount of the award value shall be adjusted by the Florida Department of Education as needed.

**A description of the deadlines for attendance verification and scholarship payments.**

Once a household is determined eligible, they are provided with an award letter and school enrollment form for each scholarship student. The parent or guardian takes the award letter and school enrollment form to the eligible school of their choice and enrolls their student(s). The school returns the completed school enrollment form to AAA certifying that the student has accepted the scholarship and enrolled in an eligible private school.

Four times during the school year, AAA sends the school a verification form to ascertain whether the student remains enrolled, is attending the school regularly and is current on any funds personally owed to the school. Below is the calendar for the current verification and scholarship payments for the 2022-2023 school year:

1. 1st Distribution
  - a. August 19, 2022 Verification Reports Sent to School
  - b. August 25, 2022 Verification Reports Due Back from School
  - c. September 6, 2022 Checks Mailed to School
2. 2nd Distribution
  - a. September 23, 2022 Verification Reports Sent to School
  - b. September 29, 2022 Verification Reports Due Back from School
  - c. November 8, 2022 Checks Mailed to School
3. 3rd Distribution
  - a. December 9, 2022 Verification Reports Sent to School
  - b. January 5, 2023 Verification Reports Due Back from School
  - c. February 7, 2023 Checks Mailed to School
4. 4th Distribution
  - a. March 3, 2023 Verification Reports Sent to School
  - b. March 9, 2023 Verification Reports Due Back from School
  - c. April 4, 2023 Checks Mailed to School

Once the verification report is received back, AAA scans it for any circumstances that would prohibit the disbursement of an award. If there are none noted, AAA disburses one quarter of the scholarship award in the form of a check made payable to the parent / guardian but for deposit only by the school. The parent / guardian must restrictively endorse the check over to the school before it can be deposited.

If the school is not meeting the needs of the scholarship student, the parent / guardian may transfer the student and the student's scholarship to a different eligible private school at any time.

## Conflicts of Interest Policy

### Article I Purpose

The purpose of the conflict of interest policy is to protect AAA Scholarship Foundation's (the "Organization") interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Organization or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

### Article II Definitions

#### 1. Interested Person

Any director, principal officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.

#### 2. Financial Interest

A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

- a. An ownership or investment interest in any entity with which the Organization has a transaction or arrangement,
- b. A compensation arrangement with the Organization or with any entity or individual with which the Organization has a transaction or arrangement, or
- c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Organization is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

### Article III Procedures

#### 1. Duty to Disclose

In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors and members of committees with governing board delegated powers considering the proposed transaction or arrangement.

#### 2. Determining Whether a Conflict of Interest Exists

After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

#### 3. Procedures for Addressing the Conflict of Interest

- a. An interested person may make a presentation at the governing board or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
- b. The chairperson of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- c. After exercising due diligence, the governing board or committee shall determine whether the Organization can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the

disinterested directors whether the transaction or arrangement is in the Organization's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

#### **4. Violations of the Conflicts of Interest Policy**

- a.** If the governing board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
- b.** If, after hearing the member's response and after making further investigation as warranted by the circumstances, the governing board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

#### **Article IV Records of Proceedings**

The minutes of the governing board and all committees with board delegated powers shall contain:

- a.** The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing board's or committee's decision as to whether a conflict of interest in fact existed.
- b.** The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

#### **Article V Compensation**

- a.** A voting member of the governing board who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member's compensation.
- b.** A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member's compensation.
- c.** No voting member of the governing board or any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organization, either individually or collectively, is prohibited from providing information to any committee regarding compensation.

#### **Article VI Annual Statements**

Each director, principal officer and member of a committee with governing board delegated powers shall annually sign a statement which affirms such person:

- a.** Has received a copy of the conflicts of interest policy,
- b.** Has read and understands the policy,
- c.** Has agreed to comply with the policy, and
- d.** Understands the Organization is charitable and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

#### **Article VII Periodic Reviews**

To ensure the Organization operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- a.** Whether compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining.
- b.** Whether partnerships, joint ventures, and arrangements with management organizations conform to the Organization's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

#### **Article VIII Use of Outside Experts**

When conducting the periodic reviews as provided for in Article VII, the Organization may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the governing board of its responsibility for ensuring periodic reviews are conducted.
