EXECUTIVE SUMMARY

The purpose of this amendment is to strengthen the rights of parents and safeguard their child's educational record to ensure the use of the child's legal name in school. A local procedure will be developed for a parent to specify any deviation from the child's legal name in school. This rule will ensure full transparency to enhance the student's record and protect parental rights. The amendment will revise the number of days to transfer a record from 3 to 5. Other general amendments designed to strengthen student records will also be considered.
