**Adoption of New  
Rule 6A-10.089, F.A.C.,  
School-Sponsored Events and Activities**

**State Board of Education**

**July 19, 2023**

## Purpose

- Ensures the health, safety and welfare of students.
- Protects the fundamental rights of parents.

## Proposed Rule

- Protects the fundamental rights of parents by ensuring that children are not exposed to inappropriate school-sponsored events and activities.
- Prohibits school districts from authorizing the use of any district-owned or leased buildings or property for the purpose of conducting adult live performances, as defined in Section 827.11, F.S.
- Prohibits school districts from admitting children to adult live performances, as defined in Section 827.11, F.S.
- Requires school districts to adopt procedures to fully inform parents of the details of events or activities, including a signed consent form.
