

2022-23 Schools of Excellence - High Schools

Section 1003.631, Florida Statutes, requires the State Board of Education to designate a school as a School of Excellence. Pursuant to FDOE Emergency Order No. 2021-EO-02, only schools for which an approved opt-in request was submitted by the school district superintendent or charter school governing board had a letter grade assigned for the 2020-21 school year. School of Excellence designations for schools with an approved opt-in request in 2020-21 reflect the school's eligibility taking 2020-21 performance into account. Performance data from 2020-21 were not used in determining the designations for schools that did not opt in to receive a 2020-21 school grade. Additionally, pursuant to section 1008.34, F.S., as amended by Senate Bill 1048 (2022), the school grades for 2022-23 serve as an informational baseline, and schools that were designated as a School of Excellence for the 2021-22 school year retained their status for the 2022-23 school year. Schools that were not on the list in the 2021-22 school year, but met all qualifications based on their 2022-23 informational baseline school grade, were designated as a School of Excellence for the 2022-23 school year.
