(C) Public and Private Postsecondary Institution Agreements with Private Schools

Each postsecondary institution eligible to participate in the dual enrollment program pursuant to s. 1011.62(1)(i) must enter into a private school articulation agreement with each eligible private school in its geographic service area seeking to offer dual enrollment courses to its students, including, but not limited to, students with disabilities.

By August 1 of each year, the eligible postsecondary institution shall complete and submit the private school articulation agreement to the Department of Education.

1. A delineation of courses and programs available to the private school student. The postsecondary institution may add, revise, or delete courses and programs at any time.

Career dual enrollment is a curricular option of elective credits that count toward earning a high school diploma and completing a career-preparatory certificate program. High school students may elect to be dual-enrolled at their high school and in a workforce education program at GTC. Courses contained within the state course numbering system, and that are part of a sequence of courses in a program offered at Gadsden Technical College which lead to an industry certification, are considered for this Agreement.

A listing of programs and courses available for career dual enrollment participation during the 2021-2022 school year is included in this agreement. Programs and courses listed will lead to an approved certification as provided in Section 1008.44, F.S. Dual enrollment students may earn approved CAPE certifications on both the secondary and postsecondary approved lists. New programs, which meet this specification, can be added to the Agreement at any time by consent of the chief administrative officer of each party. Programs available for career dual enrollment include:

- Automotive Service Technology (1800)
- Automotive Service Technology 1(1050)
- Carpentry (1200)
- Commercial Class B Driving (150)
- Diesel Systems Technician 2 (750)
- Power Equipment Technologies (900)
- Practical Nursing (1350)

2. The initial and continued eligibility requirements for private school student participation, not to exceed those required of other dual enrollment students.

High school students who are interested in attending GTC must apply through their high school guidance counselor and meet the following criteria.

- A. Classified as a full time 10th grade student
- B. 2.0 GPA
- C. Completed enrollment application
- D. TABE test scores(dual-enrolled secondary students only)
- E. Satisfactory attendance
- F. Satisfactory behavior/conduct

Gadsden Technical College admission policies require that all applicants take the Test of Adult Basic Education (TABE) or provide proof of acceptable forms of assessment. These include scores from the TABE Forms 9 and 10, or 11 and 12.

3. The student's responsibilities for providing his or her own instructional materials and transportation.

TCS students are responsible for their own transportation to and from the College, and to and from any applicable clinical sites.

4. A provision clarifying that the private school will award appropriate credit toward high school completion for the postsecondary course under the dual enrollment program.
