Submitter:

Agreement Effective Date: 7/28/2021

Representing:

Career and Technical Center: Radford M. Locklin Technical College

District(s) the Agreement(s) include
Santa Rosa County Schools

Type of Dual Enrollment Articulation Agreement for Submission

Public Postsecondary Institution – Private School

Private School Name
Lighthouse Private Christian Academy

(C) Public and Private Postsecondary Institution Agreements with Private Schools

Each postsecondary institution eligible to participate in the dual enrollment program pursuant to s. 1011.62(1)(i) must enter into a private school articulation agreement with each eligible private school in its geographic service area seeking to offer dual enrollment courses to its students, including, but not limited to, students with disabilities.

By August 1 of each year, the eligible postsecondary institution shall complete and submit the private school articulation agreement to the Department of Education.

1. A delineation of courses and programs available to the private school student. The postsecondary institution may add, revise, or delete courses and programs at any time.

NOW, THEREFORE, BE IT RESOLVED that Lighthouse PCA and the College agree to the following:

A. This dual enrollment articulation agreement supersedes any previous career dual enrollment agreements between Lighthouse PCA and the College in S. 1007.271(21)(a), F.S.

B. Career Dual Enrollment is the enrollment of an eligible Lighthouse PCA secondary student in a post-secondary course creditable towards high school completion and a career certificate.

i. Only career preparatory courses contained within the state course numbering system and part of a sequence of courses in a program offered through the College that lead to industry certification from the approved Industry Certification Funding List in s. 1008.44, F.S., are part of this agreement. New CDE courses meeting this specification may be added at any time by agreement of the Lighthouse PCA and the College in S. 1007.271 (21)(c). A chart delineating programs, courses, clock hours, credits, occupational completion points (OCPs) and industry certifications is included as attachment A.

ii. A list of career and technical secondary courses have been identified in the Florida Course Code Directory as satisfying the fine or performing arts high school graduation requirement (s. 1003.428(2)(3)(e) F.S.) (s. 1003.428(2)(a)(5) F.S.), the equivalent CDE post-secondary CTE course will also satisfy that requirement.

2. The initial and continued eligibility requirements for private school student participation, not to exceed those required of other dual enrollment students.

Dual Enrollment Articulation Agreement Submission Site

on current dual enrollment (DE) course offerings through the college and space available in the course.

v. Career Early Admissions is a form of CDE and is limited to students who have completed a minimum of 4 semesters of full-time secondary enrollment, including studies undertaken in the ninth grade pursuant to S. 1007.271(11), F.S.

vi. Private education students registered with Lighthouse PCA are included in this articulation agreement and may participate in CDE at the College.

vii. CDE is available to eligible Lighthouse PCA secondary student students meeting the following criteria:

- Possess and maintain a minimum 2.0 unweighted GPA
- Be on track for high school graduation (S. 1007.271(21)(e), F.S.)
- All students enrolled in CDE must meet the Basic Skills requirement as specified in State Board Rule 6A-10.040(8)

viii. According to S. 1007.271 (3), F.S., the College may deny continued DE if the student meets the initial eligibility criteria as stated in this articulation agreement, but "is disruptive to the learning process such that the progress of other students or the efficient administration of the course is hindered."

ix. According to S. 1007.271(2), F.S., "students projected to graduate from high school before the scheduled completion date of a post-secondary course may not register for that course through dual enrollment."

x. Exceptions to the required GPA may be granted on an individual basis if the Lighthouse PCA and the College mutually agree.

3. The student's responsibilities for providing his or her own instructional materials and transportation.

E. CDE Costs

i. The College will be responsible for all costs associated with presenting career dual enrollment instruction at the College unless otherwise agreed upon by both Lighthouse PCA and the College.

ii. Lighthouse PCA students participating in career dual enrollment are exempt from the payment of application, registration, tuition, and technology fees. Lighthouse PCA will be expected to pay for laboratory fees, curriculum costs, and Industry Certification test costs. Students or Lighthouse PCA will be responsible for the cost of uniform cost and required tools.

iii. Lighthouse PCA will be responsible for the costs of transporting career dual enrolled Lighthouse PCA students to and from the College within the established transportation system routes and boundaries.

iv. Exceptions

• Due to the program requirements related to clinical hours of instruction students enrolling in the Practical Nursing Program must provide their own transportation to and from the College and all clinical sites.

4. A provision clarifying that the private school will award appropriate credit toward high school completion for the postsecondary course under the dual enrollment program.

ii. Lighthouse PCA will award the equivalent high school credit for all CDE courses will follow the Santa Rosa County School District SPP. Articulated credit may be awarded for industry certification attainment; see individual program articulation agreements.

iii. Career and Technical DE courses under this agreement will be weighted equally as Advanced Placement courses and will count towards high school graduation. (S.1007.271 (18), F.S.)

iv. Completion of a CDE course is based on successful completion of program curriculum and performance standards. In order to earn the OCP for course and/or program completion, students must earn a grade of 70% or higher in the course(s).

5. A provision expressing that costs associated with tuition and fees, including registration, and laboratory fees, will not be passed along to the student.

E. CDE Costs

i. The College will be responsible for all costs associated with presenting career dual enrollment instruction at the College unless otherwise agreed upon by both Lighthouse PCA and the College.

ii. Lighthouse PCA students participating in career dual enrollment are exempt from the payment of application, registration, tuition, and technology fees. Lighthouse PCA will be expected to pay for laboratory fees, curriculum costs, and Industry Certification test costs. Students or Lighthouse PCA will be responsible for the cost of uniform cost and required tools.

iii. Lighthouse PCA will be responsible for the costs of transporting career dual enrolled Lighthouse PCA students to and from the College within the established transportation system routes and boundaries.

iv. Exceptions

• Due to the program requirements related to clinical hours of instruction students enrolling in the Practical Nursing Program must provide their own transportation to and from the College and all clinical sites.

6. A provision stating whether the private school will compensate the postsecondary institution for the standard tuition rate per credit hour for each dual enrollment course taken by its students

ii. Lighthouse PCA students participating in career dual enrollment are exempt from the payment of application, registration, tuition, and technology fees. Lighthouse PCA will be expected to pay for laboratory fees, curriculum costs, and Industry Certification test costs. Students or Lighthouse PCA will be responsible for the cost of uniform cost and required tools.

7. For students with disabilities, a postsecondary institution eligible to participate in dual enrollment pursuant to s. 1011.62(1)(i) shall include in its dual enrollment articulation agreement, services and resources that are available to students with disabilities who register in a dual enrollment course at the eligible institution.

xi. CDE curriculum allows for accommodations for CDE students with current Individualized Education Plans (IEP). Exceptional Student Education (ESE) students have access to an ESE instructor and resource room. Accommodations are provided in compliance with the individual student's IEP.
