**SUBJECT:** Memorandum from President Galvano

---

Today, Senate President Galvano issued this [memorandum](#) regarding the general revenue collection for August. The letter comes after the Legislature's Office of Economic and Demographic Research ([EDR](#)) issued their Monthly Revenue [Report](#). We have also sent links to this important update to your business officers.

Earlier this week, the State Board of Education did adopt its Legislative Budget Request for 2021-2022. As Chief of Staff Alex Kelly relayed in his presentation to the Board, this is the first step in the process and a solid start, and we appreciate the comments that Chair Pickens presented to the Board on your behalf about the request.

As Commissioner Corcoran relayed to you last Friday, we still have much work to do with great opportunities before us, and we look forward to continuing it together.

Sincerely,  
KH
