MEMORANDUM

DATE: June 27, 2013

TO: School District Superintendents

FROM: Linda Champion 

SUBJECT: July 2013-14 Student Transportation Survey Information and
2013-14 Student Transportation General Instructions

The July 2013-14 student transportation survey will be conducted the week of July 8-12, 2013. The Automated Student Information System (student transportation format) is used by all districts to transmit their July student transportation information.

The student transportation reporting requirements have been revised for 2013-14. Please refer to the attached 2013-14 Student Transportation General Instructions for assistance with student eligibility, reporting criteria, instructions for the Automated Student Information System, and reporting deadlines.

The primary revisions to the Student Transportation General Instructions for 2013-14 are:

- The 11 membership categories have been consolidated into 5 categories to simplify reporting. The criteria that determine which transported students are eligible for Florida Education Finance Program (FEFP) funding have not changed (i.e., which students with disabilities generate weighted transportation funding versus which students generate base transportation funding). Nevertheless, districts should review the Student Transportation General Instructions to ensure that students are reported in the correct categories.
- The Student Transportation General Instructions clarify that students may only be reported for transportation funding (starting with Survey 4 in June 2014) if they: 1) are students with disabilities whose Individual Educational Plans require transportation as a related service for extended school year programs, or 2) are transported for non-residential Florida Department of Juvenile Justice programs. Other students attending non-FEFP funded programs will not be eligible for FEFP student transportation funding.

A list of the reporting deadlines is attached for your convenience. The deadline for initial full submission of July survey data is Friday, July 26, 2013. Any corrections or revisions to this data must be addressed by Monday, September 30, 2013, the system cutoff date. The attached form letter, which certifies the adjusted student membership and the number of buses reported on the database, must be signed by the superintendent or designee and submitted no later than Friday, October 4, 2013. The July student transportation information provided in this letter must match that reported in the district database as of the system cutoff date. **Districts may use Transportation Report F63499 or F70092 to verify adjusted membership and bus information recorded in the database for use in the certification letter.** The information in this letter will be compared with the department's report to ensure that accurate information is used in the transportation funding formula.

Please call Mark Eggers (School Business Services) at 850-245-0351, Charlie Hood (School Transportation) at 850-245-9795, or Candido Garcia (Education Information and Accountability Services) at 850-245-9078 if assistance is needed.
