MEMORANDUM

TO: District School Superintendents

FROM: Suzanne Pridgeon

DATE: June 7, 2019

SUBJECT: June 2018-19 Student Transportation Survey Information

The June 2018-19 student transportation survey will be conducted during the week of June 10-14, 2019. The Automated Student Information System (student transportation format) will be used by all districts to transmit their June student transportation survey information. Please refer to Appendix F of the [2018-19 FTE General Instructions](#) for information regarding student eligibility and reporting criteria, and instructions for the Automated Student Information System. For 2018-19, the time period during which a student must be transported in order to be eligible for reporting has been expanded to include the six scheduled school days preceding the five-day survey week.

The system cut-off date for reporting June survey data is Thursday, August 15, 2019. Any corrections or revisions to this data must be addressed by this date. The attached form letter, which certifies the adjusted student membership and the number of buses reported on the database, must be signed by the superintendent or designee and submitted no later than Friday, August 23, 2019. The June student transportation information provided in this letter must match that reported in the district database as of the August 15, 2019, cut-off date. **Once notified of the availability of certification reports, districts may use Transportation Report F63499 or F70092 to verify adjusted membership and bus information recorded in the database for the certification letter.** The information in this letter will be compared with the Florida Department of Education's (department) report to ensure that accurate information is used in the transportation funding formula. A certification letter must be submitted even if the district does not have information to report on the form.

Charter schools with eligible students who are reported for Florida Education Finance Program transportation funding must submit their ridership reports to the sponsoring school district. The district will include these students in the survey data submitted to the department. Charter schools do not have to submit a certification letter to the department, and are encouraged to contact the transportation director in their sponsoring school district prior to the survey regarding the district's reporting process and procedures. Please email or call the department's School Transportation Management Office at schtrans@fldoe.org or 850-245-9795 if you need contact information for local school district transportation personnel.

Please call Josh Bemis, School Business Services, at 850-245-0405, or Teresa Sancho, PK-12 Education Information Services, at 850-245-0400 if assistance in reporting student transportation data is needed. The signed certification letter should be emailed to josh.bemis@fldoe.org or faxed to 850-245-9135.
