MEMORANDUM

TO: District School Superintendents

FROM: Suzanne Pridgeon

DATE: June 7, 2022

SUBJECT: June 2021-22 Student Transportation Survey Information

The June 2021-22 student transportation survey will be conducted during the week of June 13-17, 2022. The Automated Student Information System (student transportation format) will be used by all districts to transmit their June student transportation survey information. Please refer to Appendix G of the [2021-22 FTE General Instructions](#) for information regarding student eligibility and reporting criteria, and instructions for the Automated Student Information System.

The initial due date for reporting June survey data is July 1, 2022. Any corrections or revisions to this data must be addressed by Monday, August 15, 2022, the final amendment date, in order to be incorporated into the 2021-22 Florida Education Finance Program (FEFP) Final Calculation. The attached form letter, which certifies the adjusted student membership and the number of buses reported on the database, must be signed by the superintendent or designee and submitted no later than **Wednesday, August 24, 2022**. The June student transportation information provided in the letter must match that reported in the district database as of the August 15, 2022, cut-off date. **Once notified of the availability of certification reports, districts may use Transportation Report F63499 or F70092 to verify adjusted membership and bus information recorded in the database for the certification letter.** The information in the letter will be compared with the Florida Department of Education's (department) report to ensure that accurate information is used in the transportation funding formula.

Charter schools with eligible students who are reported for FEFP transportation funding must submit their ridership reports to their sponsoring school district, which will include these students in the survey data submitted to the department. **Charter schools do not have to submit a certification letter to the department**, and are encouraged to contact the transportation director
