Dear Mr. Blocker:

Attached is a list of the updated factors recommended to estimate the Florida Virtual School Part-Time Program's February 2015-16 full-time equivalent (FTE) student membership for the fourth 2015-16 Florida Education Finance Program (FEFP) calculation. Thirteen factors were calculated for each district of enrollment: one for each of the grades, kindergarten through grade 12.

These updated factors were calculated by grade based on the relationship in the 2014-15 school year between course enrollments and course completions. For the fourth 2015-16 FEFP calculation, the factors will be used to estimate February FTE student membership for virtual courses.

Please review the attached workbook. The tab "Recommended Factors" has the factors calculated as described above. If these factors are not appropriate for determining the Florida Virtual School Part-Time Program's February FTE student membership, please propose revisions in the tab "Revised Factors." Please return the workbook to Andrew Morrell at Andrew.Morrell@fldoe.org. Additionally, print both tabs, complete them and fax them to Andrew Morrell at 850-245-9135. The workbook and the faxed forms are due by Friday, March 4, 2016. The review of these factors is critical because the estimated virtual February FTE student membership will be a major determinant in the amount of each district's FEFP funding following the fourth 2015-16 FEFP calculation.

Sincerely,

Linda Champion
