

FLDOE List of Approved Open Door Programs

For 2022-23, the CAPE Industry Certification Funding List and the CAPE Postsecondary Industry Certification Funding List comprise the Master Credentials List under s. 445.004(4), F.S. Agencies must link their clock, credit and non-credit Open Door programs to the postsecondary CAPE list, which is available in the "Master Credentials List (PS)" tab of the Excel workbook.

- For short-term credit (30 hours or less) and clock programs (1350 hours or less), FDOE provided a list of all programs linked to the CAPE Postsecondary Industry Certification Funding List, which is available in the "Approved Clock-Credit Linkages" tab of the Excel workbook.
- If the agency wishes to identify a credit or clock program that is not on the "Approved Clock-Credit Linkages" list, the agency will be required to provide justification explaining how the program trains for the industry certification on the Master Credentials List.
