

**Co-Enrollment Courses
Adult High School Programs
2019-2020**

Courses meeting high school subject-area graduation requirements are coded adjacent to each applicable course title in the Course Code Directory (CCD). The codes used to designate high school subject area graduation requirements are listed below. This document represents the courses adopted as part of the CCD at the March 19, 2019 State Board of Education Meeting.

CODES	DEFINITIONS
A1	Algebra 1 or equivalent (or an accelerated course that satisfies this course graduation requirement)
AG	American Government
AH	American History
BI	Biology or equivalent (or an accelerated course that satisfies this course graduation requirement)
DD*	District Determined
EC	Economics
EN	English
EQ	Equally Rigorous that counts for Science Credit
GE	Geometry or equivalent (or an accelerated course that satisfies this course graduation requirement)
MA	Mathematics
PA	Career and Technical Courses that count for Fine Arts Credit
PE	Physical Education
PF	Visual and Performing Fine Arts
VO	Career and Technical Education
WH	World History

**A district-determined (DD) subject area graduation code was implemented in SY 2018-19 and thereafter, which has been applied to specific courses in the CCD. Schools MUST convert the DD code to an acceptable subject area code on official student records in order for a student to receive graduation credit. For the 2018-2019 and 2019-20 school years, the only acceptable subject area codes that can be used for those courses carrying the DD graduation code will be codes BI or EQ.*

Change Notes

Additions:

British Literature and Ancient Literature Honors have been added as English credits (EN)

Deletions:

The American Political System: Process and Power has been deleted from the CCD and can no longer be reported for K-12 or Adult Co-Enrolled Funding

Graduation Requirement Changes:

Biology 2 Honors has changed from EQ to DD as a graduation requirement code (see above description)
