

Florida Department of Education
Gold Standard Career Pathways Statewide Articulation Agreement
Industry Certification to AAS Degree Program

Degree Name:	Marine Engineering, Management & Seamanship		
CIP Number:	0647060500		
Industry Certification:	Marine Electrical Certification	Code:	ABAYC003
College Credit:	This Gold Standard Career Pathways Statewide Articulation Agreement guarantees the minimum award of course credits or a block of credit toward the above AAS program is <u>3</u> hours of credit. This agreement does not preclude the awarding of additional credits by any college through local articulation agreements.		
Validation Mechanism:			
To be eligible for articulation, the student must show evidence of their current Marine Electrical Certification certification and it must have been issued within three (3) years prior to their enrollment in the program.			
Rationale/Justification:			
The Marine Electrical Certification certification represents industry acknowledgement of technical skill attainment of competencies in the Marine Engineering, Management & Seamanship program.			
Applicability:			
State college administrators were consulted and agreed that the Marine Electrical Certification certification shall articulate <u>three (3)</u> college credit hours to the AAS degree in <u>Marine Engineering, Management & Seamanship</u> .			
Articulated credit awarded under this agreement may only be applied to the above AAS degree.
