MEMORANDUM

TO: Recipients of FY 2010-2011 Carl D. Perkins Federal Career and Technical Education Funds

FROM: Loretta Costin, Chancellor *LC*

SUBJECT: 2009-2010 Basic Grant Roll Forward Funds

Federal Statute requires that roll forward funds from 2009-2010 be allocated to enhance the original funds received during the FY 2010-2011, using the same formulas approved by the U.S. Department of Education for secondary and postsecondary career and technical education programs.

On the attached sheets you will find the allocation of funds for school districts, career and technical centers, and colleges. These roll forward allocation charts are also available on the web at: <http://www.fldoe.org/workforce/dwdgrants/default.asp>. This amount represents additional dollars your agency may acquire through the project amendment process. The funding period for roll forward funds will be from the date we receive your amendment, in acceptable form, through June 30, 2011.

To acquire the additional funds reflected in the allocation charts, you must submit DOE 150 and 151 Budget Amendment Forms. These funds are to be treated as basic grant funds and used to enhance a current project as well as support new initiatives provided they are reflected in your agency's approved plan.

Please forward your completed amendment request to: Florida Department of Education, Bureau of Grants Management, 325 West Gaines Street, Room 323, Tallahassee, FL 32399-0400.

If you have questions or need assistance, please contact Dr. Ike Gibson at (850) 245-9026 or via e-mail to Ike.Gibson@fldoe.org.

Thank you.
