MEMORANDUM:

TO: District Adult Education Directors
College Adult Education Directors
Report Coordinators

FROM: Kevin O’Farrell, Ph.D.

DATE: June 2, 2022

SUBJECT: 2021-22 Integrated Education and Training (IET) Supplemental Data Reporting and Submission

The Division of Career and Adult Education is requesting the submission of supplemental student information for approved 2021-22 Integrated Education and Training programs. As a reminder, this will be the last year that supplemental data for IET programs will be collected. Beginning in 2022-23, all IET data collection will be fully integrated into state data reporting systems (WDIS, CCTCMIS, CBO).

The supplemental template, along with other resources to assist with its completion, may be located on the FLDOE website under the Integrated Education and Training (IET) Data Reporting header. <https://www.fldoe.org/academics/career-adult-edu/adult-edu/resources.stml>.

Information included in the template should reflect 2021-22 NRS program year IET participation (July 1, 2021 – June 30, 2022) at the student level for all approved IET programs. Directors should work with their local Reports Coordinator to complete the template.

Please ensure that your agency completes and submits the 2021-22 IET Supplemental Data template by June 17, 2022.

Thank you for taking the time to submit this information. If you have any questions, please contact Jessica Maddox at: Jessica.Maddox@fldoe.org. Please return the completed template to Jessica.Maddox@fldoe.org by June 17, 2022.
