MEMORANDUM

TO: Adult Education Directors

FROM: Kevin O'Farrell, Ph.D.

DATE: July 12, 2022

SUBJECT: 2022-23 Adult High School Co-Enrollment Program Eligible Course List

School districts and Florida College System (FCS) institutions are permitted to allow students currently enrolled in high school to co-enroll in their Adult High School program under certain conditions specified in section 1011.80(10), Florida Statutes (F.S.). Students in grades 9-12 may be reported in this program under the following circumstances:

- Eligible students may not have a pattern of excessive absenteeism or habitual truancy or a history of disruptive behavior;
- Enrollment is limited to the core curricular courses for credit recovery or dropout prevention; and
- Eligible students may enroll in up to two courses per year (please note that this is based on course numbers, not high school credits).

If a district or FCS institution does not operate an Adult High School program (program number 9900010), then they are not eligible to offer the co-enrollment program.

Districts and colleges may not use any federal grant funds from the Adult Education and Family Literacy Act (Title II, Workforce Innovation and Opportunity Act) to support a co-enrollment program. Title II funds may only be used for adult education programs that serve students who are not enrolled in K-12.

As required in section 1011.80(10), F.S., the Department of Education has developed a list of courses to be designated as core curricular courses for the purpose of co-enrollment. Please use the attached list when determining what courses are allowable for co-enrolled students. The list can also be found on the 2022-23 Adult Education Curriculum Frameworks page at <https://www.fldoe.org/academics/career-adult-edu/adult-edu/2022-2023-adult-edu-curriculum-frameworko.stml> under the "Adult High School" heading.

Kevin O'Farrell, Ph.D.
Chancellor of Career and Adult Education

Adult High School Co-Enrollment Program
July 12, 2022
Page Two

All eligible courses are provided in the attached Co-Enrolled Courses Eligibility List for 2022-2023. The only additional course added is Mathematics for Data and Financial Literacy.

The following courses have been deleted from the Course Code Directory and can no longer be reported for K-12 or Adult Co-Enrolled Funding: Financial Algebra, Mathematics for College Success, Mathematical Analysis Honors, Analysis of Functions Honors, Informal Geometry, Liberal Arts Mathematics 1, Liberal Arts Mathematics 2, and Advanced Topics in Mathematics.

Thank you in advance for your participation. If you have any questions, please contact Ashley Yopp at ashley.yopp@fldoe.org.
