## **MEMORANDUM**

**TO:** District Career and Technical Education Directors  
District Adult Education Directors  
District Technical Center Directors

**FROM:** Kevin O'Farrell, Ph.D.

**DATE:** July 19, 2022

**SUBJECT:** **2022-23 District Postsecondary Student Fee Survey**

The 2022 General Appropriation Act did not make any changes to the standard rate of tuition for district workforce education programs. Accordingly, the career certificate/applied technology diploma programs and adult general education tuition rates for 2022-23 are as follows:

- For programs leading to a career certificate or an applied technology diploma, the standard tuition shall be \$2.33 per contact hour for residents and non-residents and the out-of-state fee shall be \$6.99 per contact hour.
- For Adult General Education, a block tuition rate of \$45.00 per half year or \$30.00 per term shall be assessed.

According to the workforce development fees statute, s. 1009.22(3)(d), Florida Statutes, a district's tuition must be within five percent (above or below) of the standard tuition and out-of-state fee, if applicable. Therefore, the 2022-23 standard tuition range for certificate programs is \$2.22 to \$2.44. The Adult General Education range is \$42.75 to \$47.25 per half year or \$28.50 to \$31.50 per term.

While the standard tuition rate did not change, the five percent variance allowed per statute may have resulted in changes to locally adopted tuition and fees. Accordingly, all districts must complete the attached District Postsecondary Student Fee Survey.
