SUBJECT: FACTE Conference

Colleagues:

Every year the Florida Association of Career and Technical Education (FACTE) hosts an excellent and quite *robust* conference on all things related to workforce education & training. This year the conference is scheduled from November 16th – November 20th. The conference agenda may be found [here](#), or attached, with afternoon and early evening sessions/concurrent breakouts. Please explore!

Several Division of Career, Technical, and Adult Education team members will present each afternoon/evening. The conference is open to all our education partners, K12 and postsecondary, including members of the Florida College System.

We look forward to your, or a team member's attendance. To register please see attached or simply contact: lboyd@facte.org.

Best,

Henry
