Articulation Coordinating Committee
Feb. 14, 2020
1:00-4:00 p.m., EST

Dial in: 888-585-9008
Conference Room: 715424338#

Introduction	
Welcome and Committee Updates	Rod Duckworth
Chair Welcome and Comments	Dr. Ed Massey
Action Items	
1. Approval of Oct. 22, 2019 Meeting Minutes	Dr. Ed Massey
2. Updates to Program Requirements in the Common Prerequisite Manual	Rod Duckworth/Carrie Henderson/Lynda Page
3. Career Certificate to AAS/AS Agreements	Kathleen Taylor
4. ATD to AS Agreements	Kathleen Taylor
5. Gold Standard Pathways Statewide Articulation Agreements	Kathleen Taylor
6. Update to the Dual Enrollment High School Subject Area Equivalency List	Amanda Walker
7. Annual Update to the Credit-by-Exam List	Amanda Walker
Discussion Items	
8. 2020 Legislative Update	Rod Duckworth

Next ACC Meeting: TBD in Tallahassee

ACC Membership
February 2020

Florida College System	State University System	Career and Adult Education
Ed Massey – Chair Indian River State College	William Hudson Florida A&M University	Sylvia Jackson Gadsden County Public Schools
Karen Borglum Valencia College	Cheryl Gater University of Florida	Brian Mann Hillsborough Community College

K12 Education	Nonpublic Education	Student
Vanessa Hilton Pasco County Schools	Wayne Riggs Flagler College Tallahassee	Vacant
Beth Thedy Brevard County Schools	Tim Worley Palm Beach Atlantic University	

ACC Action: Approval

Articulation Coordinating Committee
October 22, 2019

Draft Meeting Minutes

Members Participating: **Karen Borglum,** Valencia College
Jennifer Buchanan, Florida State University
Vanessa Hilton, Pasco County Schools
William Hudson, Florida A&M University
Sylvia Jackson, Gadsden Technical Institute
Elizabeth Thedy, Brevard County Public Schools

Introduction	
Welcome, Committee Updates, Comments	Rod Duckworth, the new Executive Director of Articulation, began the meeting at 1:00 p.m. Mr. Duckworth began with the Office of Articulation in June 2019; he was formerly the Chancellor of Career and Adult Education. Mr. Duckworth is looking forwarded to working with the Articulation Coordinating Committee (ACC) and thanked Dr. Buchanan for acting as Chair of the ACC in the absence of Dr. Ed Massey. Mr. Duckworth notified members that reappointment letters were being distributed to members whose terms had expired. He then reminded members that the ACC was established under Chapter 1007, Florida Statutes, related to articulation and access, "to facilitate articulation and seamless integration of the K-20 education system by building, sustaining, and strengthening relationships among K-20 public organizations, between public and private organizations, and between the education system as a whole and Florida's communities. The purpose of building, sustaining, and strengthening these relationships is to provide for the efficient and effective progression and transfer of students within the education system and to allow students to proceed toward their educational objectives as rapidly as their circumstances permit." Mr. Duckworth envisions tremendous articulation opportunities for students and the work of the ACC will be instrumental in helping students achieve success with their educational goals. For example, dual enrollment participation has increased significantly in recent years; during the 2017-2018 school year, there were over 180,000 students who graduated from Florida's public schools and approximately 44,000 of those graduates had taken at least one dual enrollment course. Through marketing of the various articulation options, there could be an increase in students utilizing Florida's different acceleration mechanisms in their secondary to postsecondary transition. Mr. Duckworth thanked members for their leadership and handed the meeting over to Dr. Jennifer Buchanan.

Action Item	
1. Approval of May 29, 2019 Meeting Minutes	Dr. Buchanan asked members if there were any changes to the meeting minutes; there were none. Motion to approve the minutes was made by Dr. Hudson and was seconded by Dr. Jackson; the meeting minutes were approved by unanimous vote.

Discussion Items	
2. 2019 Legislative Implementation Update	Amanda Walker, Acceleration Specialist in the Office of Articulation, provided a brief update on legislative implementation related to House Bill 7071.

Reverse Transfer – the Office of Articulation has a working group with representatives from the Board of Governors and the Florida College System to discuss statewide implementation of reverse transfer policies. The workgroup will meet again in November.

Career and Technical Education Career Pathways – the Division of Career and Adult Education is working with the Office of Articulation to develop a template for career pathway agreements. The goal is to identify best practices from which to establish statewide agreements, which would be a future agenda item for ACC approval.

Career Dual Enrollment Articulation Agreements – the online dual enrollment submission site has been updated to allow career centers to upload their local articulation agreements with Florida's high schools. To date, approximately 15 agreements have been received for the 2019-2020 school year.

Residency for Veterans and Military Families – the new legislation requires that military families be defined as residents for tuition purposes upon acceptance into a Florida public college or university; the ACC Subcommittee on Residency will be called upon to review the legislation and develop policies for ACC approval.

Ms. Walker indicated that she would provide members with the new statutory language referenced in this update by email. |
| 3. Florida College System Mathematics Pathways | Dr. Carrie Henderson introduced Ms. Abbey Ivey, the new Director of the Florida Student Success Center (FSSC). The FSSC launched in partnership with Jobs for the Future, Helios Education Foundation, and the Florida College System Foundation in 2018 and is part of the national Student Success Center Network. The FSSC supports Florida's 28 community and state colleges' efforts to develop student-centered pathways and increase student completion rates.

Ms. Ivey provided members with an overview of the work done on the Mathematics Pathways Redesign Project, the FSSC's primary initiative, which launched in September 2018 through a series of webinars and face-to-face meetings that culminated into a June 2019 Institute meeting. At the June Institute meeting, the FSSC presented eleven (11) recommendations to stakeholders and participants, five (5) of which were related to statewide- or institution-level policy, with the remaining six (6) related to best practices. |

	The goal is to prioritize the recommendations and leverage existing groups and resources for implementation. Dr. Henderson outlined the eleven (11) recommendations for ACC members: 1. Create common mathematics pathways by aligning mathematics courses to programs, meta-majors and careers in Florida. 2. Use a "multiple measures" model to help improve placement, especially in mathematics. 3. Ensure mathematics prerequisites align with mathematics pathways. 4. Revise the statewide learning outcomes for developmental and gateway mathematics courses and identify essential mathematical processes. 5. Encourage colleges and universities to implement instructional models (such as the co-requisite model) that place students, when appropriate, directly into college-level mathematics courses carrying general education credit. 6. Create recurring opportunities for K-20 stakeholders to promote collaboration to strengthen mathematics pathways for students via standing advisory groups/working groups and "big meetings." 7. Determine the K-12 standards that align with the postsecondary courses identified for each major or meta-major to inform student course selection in high school. 8. Offer professional development opportunities for instructors. 9. Establish on-demand foundational mathematical skills modules for students to access in high school and postsecondary. 10. Increase the availability of advising resources and enlist the help of mathematics faculty, where appropriate. 11. Ensure parents/guardians are informed of how to support and advise high school students into mathematics sequences aligned with the student's college and career pathway. The FSSC will continue to serve as a convener to move the recommendations of the workgroups forward through the work of the ACC and the statewide mathematics discipline committee. While local institutions have some flexibility to begin implementing the recommendations of the Math Pathways Workgroups, much of the work will likely require statutory or rulemaking authority.
4. CTE Audit Update	Mr. Rod Duckworth provided a brief update on the Career and Technical Education Audit required under Executive Order 19-31, to initiate the process to make Florida number 1 in workforce education.
Other Business	Mr. Duckworth announced that while it has been awhile since the ACC subcommittees on postsecondary transition, course numbering, etc. have met, the current work of the Office of Articulation will require the subcommittees to be reconvened. Additional information on the work of those subcommittees will be forthcoming.

Presenter: Dr. Ed Massey

Item #2: 2019 Updates to Program Requirements in the Common Prerequisite Manual

Pending ACC Oversight Committee Final Approval

ACC Action: Approval

Common Prerequisites for Approval

CIP	Title	Institution	Change
11.0401 T. 1	Bachelors of Applied Science Computer Information Systems Technology	Eastern Florida State College	Deleting MACX311 and PHYX048/L and adding STAX023
14.0501	Bioengineering	FGCU	Requesting an additional course.
26.0406	Cell & Molecular Biology	USF	New Program/New CIP
43.0106	Forensic Science	UCF	Clarification of coursework required

Technical Changes

CIP	Title	Institution	Change
05.0124	French and Francophone Studies	FSU	Delete FSU.
13.1202	Elementary Ed	USF	From Bachelors to B.S. Degree
13.1203 T 1-7	Jr High/Middle School Teacher Ed	UWF	UWF terminated within this CIP. CIP is deleted.
13.1206 T1	Teacher Ed Track 1	UCF	Add UCF to Track 1 and clarify degree program name
13.1206 T2	Teacher Ed Multi level art	n/a	Change track from 2/3 to 2/2
13.1206 T3	Teacher Ed Multi Level	UCF	Delete Track. Program moved to track 1
15.1001 T. 3	Construction Technology	UWF	Add UWF and B.S.C.M. degree name
15.1001 T. 1	Construction Technology	FIU	Add previously approved course alternatives
26.0101	Biology	Project	Correcting lab typo
26.1302	B.S. in Marine Biology	USF, UWF	Add USF and university degree name; Technical addition of equivalent physics sequence (PHYX053/54 & Lab)
30.0000	Interdisciplinary Studies	FIU	Changed CIP
30.9999	Multi/Interdisciplinary studies	FIU	Deleted FIU from page
43.0111	Crime Science/ Criminal Forensic Studies	FIU, FGCU	Delete CIP (FGCU, FIU moved program to 43.0402)
43.0116	Computer Criminology	FSU	Delete CIP (FSU changed CIP)

43.0402	Crime Science/ Criminal Forensic Studies	FGCU, FIU	Add CIP. FIU & FGCU moved 43.0111 to this new CIP.
43.0403	Computer Criminology	FSU	Add CIP; FSU moved program to this CIP.
43.0106	Forensic Science	UCF, FGCU	Delete CIP (both moved to 43.0406)
43.0406	Forensic Science	FGCU, UCF	Add CIP. UCF and FGCU transferred programs to new CIP.
45.0401	Criminology/Forensics Studies and Justice	USF	From Bachelors to B.S. Degree
45.0601	Economics	USF	From Bachelors to B.A. Degree
45.0601	Quantitative Economics and econometrics	USF	From Bachelors to B.S. Degree
45.9999	Maritime Studies	UWF	Course Clarification
51.0000 T. 5	Health Science	UNF	Degree clarification (B.S.H. (Interdisciplinary Health Studies concentration)
51.0204	Language-Speech-Hearing Science	USF	From Bachelors to B.A. Degree
52.0101 T. 1	General Business Studies	USF	From Bachelors to B.S. Degree
52.0201	Management	USF	From Bachelors to B.S. Degree
52.0301	Accounting	USF	From Bachelors to B.S. Degree
52.0601	Business Mang Economics	USF	Program is no longer offered. Delete USF in this CIP in the manual
52.0801	Finance	USF	From Bachelors to B.S. Degree
52.0804	B.S. in Personal Financial Planning	USF	Add USF to page with university program name
52.0901 Track 3	Hospitality Admin/Management	UWF	Approved prereq left off (HFX000); Typo & UWF added
52.1101	Global Business	USF	Changed degree program name. Bachelors to B.A.
52.1201	Business Analytics and Information Studies	USF	From Bachelors to B.S. Degree
52.1201	Management Info Systems	FGCU	Added COPX500 as option for CGSX100 (left out)

Item #4: ATD to AS Agreements

ACC Action: Approval

Presenter: Kathleen Taylor

Applied Technology Diploma to Associate in Science or Associate in Applied Science Program Articulation
2019-20

The following Applied Technology Diploma (ATD) programs shall articulate into an Associate in Science (AS) degree under provision of Rule 6A-10.024 – Articulation Between and Among Universities, Florida Colleges, and School Districts. The chart below details the minimum number of college credits to be awarded towards the identified AS degree(s) when a student completes an ATD at either a Career Center or Florida College System institution. The transfer of the ATD to an AS degree is guaranteed for a period of three (3) years following the date of the award of the ATD, as set forth in Rule 6A-10.024.

ATD Program	ATD CIP Code / Career Certificate Program Number	Length of ATD Program	Credit hours articulated to applicable AS degree	AS Program of Articulation/ AS CIP code/Total credits for AS program
Dental Assisting Technology and Management	0351060108 / H170113	1230 clock hours	50 credits	Dental Assisting Technology and Management (1351060104) (70 credits)
Emergency Medical Technician	0351090408 / W170212	300 clock hours	12 credits	Emergency Medical Services (1351090402) (73 credits)
Medical Clinical Laboratory Technician	0351100401 / H170600	1515 clock hours	40 credits	Medical Laboratory Technology (1351100405) (76 credits)
Medical Coder/Biller	0351070713 / H170530	1110 clock hours	37 credits	Health Information Technology (1351070700) (70 credits)
Medical Records Transcribing/Healthcare Documentation	0351070706 / H170508	1200 clock hours	33 credits	Health Information Technology (1351070700) (70 credits)
Paramedic	0351090417 / H170212	1100 clock hours	42 credits	Emergency Medical Services (1351090402) (73 credits)
Pharmacy Technician	0351080503 / H170700	1050 clock hours	40 credits	Pharmacy Management (1351080502-70 credits)
Turf Equipment Technology	0131030202 / A020608	1140 clock hours	38 credits	Turf Equipment Management (1131030201-67 credits)

*Information in red indicates changes or additions to the 2019-20 ATD list

Item #5: Gold Standard Pathways Statewide Articulation Agreements

ACC Action: Approval

Presenter: Kathleen Taylor

Florida Department of Education
Gold Standard Career Pathways Statewide Articulation Agreement
Industry Certification to AS Degree Program

Degree Name:	Engineering Technology
CIP Number:	1615000001

Industry Certification:	Autodesk Certified User - Fusion 360	**Code:**	ADESK032

College Credit:

This Gold Standard Career Pathways Statewide Articulation Agreement guarantees the minimum award of course credits toward the above AS program is 3 hours of credit. This agreement does not preclude the awarding of additional credits by any college through local articulation agreements.

Validation Mechanism:

To be eligible for articulation, the student must show evidence of their current Autodesk Certified User - Fusion 360 certification and it must have been issued within three (3) years prior to their enrollment in the program.

Rationale/Justification:

The Autodesk Certified User - Fusion 360 certification represents industry acknowledgement of technical skill attainment of competencies in the Engineering Technology program.

Applicability:

State college administrators were consulted and agreed that the **Autodesk Certified User - Fusion 360** certification shall articulate **three (3)** college credit hours to the AS degree in **Engineering Technology**.

Articulated credit awarded under this agreement may only be applied to the above AS degree.

Date Presented to Articulation Coordinating Committee (ACC)	ACC Recommendation	Date Submitted to State Board of Education (SBE)	SBE Status
February 14, 2020			

This agreement is incorporated by reference in State Board of Education Rule 6A-10.0401 *Gold Standard Career Pathways Articulation Agreements*, which is authorized under 1007.23 Florida Statutes.

Florida Department of Education
Gold Standard Career Pathways Statewide Articulation Agreement
Industry Certification to AS Degree Program

Degree Name:	Computer Programming and Analysis		
CIP Number:	1511020101		
Industry Certification:	Apple App Development with Swift Certification Level 1	Code:	APPLE021

College Credit:	This Gold Standard Career Pathways Statewide Articulation Agreement guarantees the minimum award of course credits toward the above AS program is _3_ hours of credit. This agreement does not preclude the awarding of additional credits by any college through local articulation agreements.

Validation Mechanism:

To be eligible for articulation, the student must show evidence of their current Apple App Development with Swift Certification Level 1 certification and it must have been issued within three (3) years prior to their enrollment in the program.

Rationale/Justification:

The Apple App Development with Swift Certification Level 1 certification represents industry acknowledgement of technical skill attainment of competencies in the Computer Programming and Analysis program.

Applicability:

State college administrators were consulted and agreed that the **Apple App Development with Swift Certification Level 1** certification shall articulate **three (3)** college credit hours to the AS degree in **Computer Programming and Analysis**.

Industry Certification to AS Degree Program

Degree Name:	Computer Information Technology
CIP Number:	1511010307

Industry Certification:	CompTIA IT Fundamentals+	**Code:**	COMPT018

College Credit:	This Gold Standard Career Pathways Statewide Articulation Agreement guarantees the minimum award of course credits toward the above AS program is _3_ hours of credit. This agreement does not preclude the awarding of additional credits by any college through local articulation agreements.

Validation Mechanism:

To be eligible for articulation, the student must show evidence of their current CompTIA IT Fundamentals+ certification and it must have been issued within three (3) years prior to their enrollment in the program.

Rationale/Justification:

The CompTIA IT Fundamentals+ certification represents industry acknowledgement of technical skill attainment of competencies in the Computer Information Technology program.

Applicability:

State college administrators were consulted and agreed that the **CompTIA IT Fundamentals+** certification shall articulate **three (3)** college credit hours to the AS degree in **Computer Information Technology**.

Articulated credit awarded under this agreement may only be applied to the above AS degree.

February 14, 2020			

This agreement is incorporated by reference in State Board of Education Rule 6A-10.0401 *Gold Standard Career Pathways Articulation Agreements*, which is authorized under 1007.23 Florida Statutes.

Florida Department of Education
Gold Standard Career Pathways Statewide Articulation Agreement
Industry Certification to AS Degree Program

Degree Name:	Computer Programming and Analysis
CIP Number:	1511020101

Industry Certification:	CompTIA IT Fundamentals+	**Code:**	COMPT018

College Credit:	This Gold Standard Career Pathways Statewide Articulation Agreement guarantees the minimum award of course credits toward the above AS program is 3 hours of credit. This agreement does not preclude the awarding of additional credits by any college through local articulation agreements.

Validation Mechanism:

To be eligible for articulation, the student must show evidence of their current CompTIA IT Fundamentals+ certification and it must have been issued within three (3) years prior to their enrollment in the program.

Rationale/Justification:

The CompTIA IT Fundamentals+ certification represents industry acknowledgement of technical skill attainment of competencies in the Computer Programming and Analysis program.

Applicability:

State college administrators were consulted and agreed that the **CompTIA IT Fundamentals+** certification shall articulate **three (3)** college credit hours to the AS degree in **Computer Programming and Analysis**.

Articulated credit awarded under this agreement may only be applied to the above AS degree.

This agreement does not preclude the awarding of additional credits by any college through local articulation agreements.

Validation Mechanism:

To be eligible for articulation, the student must show evidence of their current Certified Internet Web (CIW) Web Design Specialist certification and it must have been issued within three (3) years prior to their enrollment in the program.

Rationale/Justification:

The Certified Internet Web (CIW) Web Design Specialist certification represents industry acknowledgement of technical skill attainment of competencies in the Internet Services Technology program.

Applicability:

State college administrators were consulted and agreed that the **Certified Internet Web (CIW) Web Design Specialist** certification shall articulate **three (3)** college credit hours to the AS degree in **Internet Services Technology**.

Date Presented to Articulation Coordinating Committee (ACC)	**ACC Recommendation**	**Date Submitted to State Board of Education (SBE)**	**SBE Status**
February 14, 2020			

This agreement is incorporated by reference in State Board of Education Rule 6A-10.0401 *Gold Standard Career Pathways Articulation Agreements*, which is authorized under 1007.23 Florida Statutes.

Florida Department of Education
