Automated Staff Reporting Format**

1998-99 Staff Summer Salary

1. Submit this format in reporting period 5 for each instructional staff member employed to provide instruction during the summer school session, which is a part of the previous school year. The majority of summer session instructional employees will have only one Staff Summer Salary record. However, for those individuals with two primary jobs during the summer session, e.g., mathematics teacher (senior high) and adult education teacher, one record should be submitted for each job.
2. **JOB CODE FUND SOURCE:** This element should identify up to three fund sources from which the employee is paid at the time of the survey for the primary job reported.
3. **SCHOOL NUMBER:** Report the school number which indicates the primary school to which this individual is assigned for the reported job code. This may or may not match the school number reported on the employee's demographic information record.
4. **SUMMER SALARY, INSTRUCTIONAL PERSONNEL:** The amount recorded should reflect the total summer salary paid to the employee regardless of the number of pay periods involved.
5. **JOB CODE, PRIMARY:** See Appendix E (JOB CODE ASSIGNMENTS) in the DOE Information Data Base Requirements: Volume II - Automated Staff Information System for Job Codes.
6. **KEY FIELDS:** The key fields for this format are item numbers 1, 2, 3, 4, and 6. If a key field needs to be changed, the record must be deleted and re-submitted as an add.
