| Element Name: | Vocational/Adult General Education Completion Point Code |
| --- | --- |

**Definition/Domain**

These codes are used only for adult general education and vocational students to identify the literacy completion points and occupational completion points achieved by the student during the term.

| CODES | DESCRIPTION |
| --- | --- |
| **A - Y** | Select the appropriate alphabetic code or codes (from the applicable list in the appropriate data base handbook) that most closely describes the literacy or occupational completion point achievement(s) of the student in the term. Select as many codes as apply, and report them <u>in the order in which they were achieved</u> by the student during the term. |
| **8** | Use the numeric code "8" to indicate that an exceptional student who is coded as an "E" on the Vocational Instructional Setting/Method data element, with an IEP that features a <u>modified</u> occupational outcome, achieved that modified occupational completion this term. If the student also achieved one or more listed occupational codes during the term, enter those codes and the "8" in the order in which they were achieved. <u>The code of "8" is not to be used for literacy completion points for adult general education</u>. |
| **Z** | Not applicable, or the student is exiting the program without having achieved at least one CPC in that program. This includes all Continuing Workforce Education. When code "Z" is used, all other positions in the field must be blank. |

NOTE:     These codes are to be reported on the format that is associated with the type of student for whom the record is being submitted. For example, adult general education students with literacy completion points from the list of such codes are to be reported on the WDIS Adult General Education Student Course format. Adult High School and Co-enrolled student LCPs are reported as two characters, as illustrated in the Workforce Development Education Data Base Handbook.

| Length: | 6 | **Grades and Programs Requiring This Data Element:** |
| --- | --- | --- |
| **Format:** | Alphanumeric | Vocational Education Grades 6-12 |
| **Compatibility Requirement:** | | Workforce Development Education (adult general education and postsecondary vocational education) |
| | State Standard | |
