AUTOMATED STUDENT DATA ELEMENTS

Implementation Date:
Fiscal Year 2007-08
July 1, 2007

Element Name:	Major Area of Interest	➡ **Element Deleted**

Definition/Domain

The state-approved field of study, comprised of at least four courses, selected by the student as a focus for the student's studies as per section 1003.428(2), F.S. Examples include sequential courses in a career and technical program, fine and performing arts, or academic content area.

Approved Major Area of Interest codes are found at
http://www.fldoe.org/HSMajors/ListMajorsAndCourses.aspx.

Notes:

1. Ninth grade students entering high school beginning 7/1/2007 must choose a Major Area of Interest.
2. This code is also used to indicate the Major Area of Interest to which a course applies for high school graduation.
3. For students in grades PK-8, students choosing an 18 credit graduation option, students in International Baccalaureate (IB) programs or Advanced International Certificate of Education (AICE) programs and those entering high school prior to 7/1/2007 use '0000'.

Note: Students select a Major Area of Interest as they complete an ePersonal Education Planner on the FACTS.org web site. See http://www.facts.org/cgi-bin/eaglec. These data are provided to school districts for use in local data systems.
