CAREER AND PROFESSIONAL EDUCATION ACT PARTICIPATION AND INDUSTRY CERTIFICATION

According to section 1003.493, Florida Statutes, Career and Professional Academies are research-based programs that integrate a rigorous academic curriculum with an industry-specific curriculum aligned directly to priority workforce needs established by regional workforce boards. A career-themed course is a course or a course in a series of courses that leads to an industry certification on the Industry Certification Funding List. They are designed to have an industry specific curriculum aligned to priority workforce needs established by regional workforce boards or the Florida Department of Economic Opportunity. CAPE Participants are students who were enrolled in either a registered academy or career-themed course.

- Registered academies: 1,605 (high school); 237 (middle school)
- Registered career-themed courses: 10,942
- Students enrolled in at least one Career and Professional Academy: 197,266
- CAPE participants who earned at least one industry certification: 93,485
