PRIVATE SCHOOL APPLICATION TO ADMINISTER FLORIDA STATEWIDE ASSESSMENTS IN 2019-20

Complete this application and fax or scan/email it to 850-245-0793 or FLDOE.Assessment@fldoe.org. You may also mail the final, signed copy of this application to

> Office of Assessment, Attn: Catherine Altmaier 325 W. Gaines Street, Ste. 414 **Tallahassee. FL 32399-0400**

The application must be completed in its entirety and notarized to receive consideration. Please refer to the checklist on page 10. The application must be submitted no later than March 1, 2019, as established in Sections 1002.385(8)(b)2., 1002.395(8)(b)2., and 1002.40(7)(b)2., Florida Statutes (F.S.). Late submissions will not be considered.

Any falsification of information, non-compliance with the Florida Tax Credit (FTC) Scholarship Program, the Gardiner Scholarship Program, or the Hope Scholarship Program or failure to meet the program requirements or the established deadlines will result in removal from consideration for or participation in the assessment program. The application must be notarized. If additional space is needed to respond to any statements, please attach a separate document with the statement number and the continuation of the response.

7.	I agree that my school will comply with FDOE's testing schedule and with the specific testing windows established by my district, as applicable. Private schools must adhere to the district's testing deadlines. See Attachment D for the current 2019–20 statewide testing schedule.
8.	I confirm that my school has an adequate number of rooms that are suitable for testing (e.g., comfortable seating, good lighting, sufficient workspace, adequate ventilation, free of distractions, an appropriate temperature). For paper-based administrations, there must be adequate space between students, and students cannot be facing each other or in seating (e.g., stadium, staggered) that allows them to easily view other students' answers. I will follow the directions provided in the appropriate test administration manual regarding test room preparation.
9.	I have reviewed the sample test administration manual (Attachment E) and understand the expectations, policies, and procedures for testing. I have also included the signature page in this application.
10.	For all administrations at my school, my testing staff and I will read the appropriate manual(s) and any additional instructions from FDOE and the school district. We agree to follow all instructions.
11.	If approved to participate, I confirm that the school will uphold and make students and parents/guardians aware of the following testing policies in addition to any others that may be specified in the test administration manuals:
	(11a) ELECTRONIC DEVICES POLICY: If students are found with any electronic devices during testing or during a break within a test session, their tests will be invalidated.
	(11b) LEAVING CAMPUS: If students leave campus before completing a test session (for lunch, an appointment, illness, etc.), they will not be allowed to complete that test session. If a student does not feel well on the day of testing, it may be best for the student to wait and be tested on a make-up day.
	(11c) TESTING RULES ACKNOWLEDGMENT: To help ensure test security and remind students of actions that may result in test invalidation, the test administrator reads the testing rules in the administration script at the beginning of a test session, and students then sign below a Testing Rules Acknowledgment that reads: "I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated."

Computer-Based Assessments

[ELA], grades 7 and 8 Mathematics, and/or End-of-Course [EOC] assessments) in 2019–20.	Yes 🗌] No [

If your school is applying to administer paper-based assessments only (grades 3-6 ELA and Mathematics; grades 5 and 8 Science), skip to item 26.

23. I confirm that my school has an adequate number of rooms that are suitable for testing (e.g., comfortable seating, good lighting, sufficient workspace, adequately ventilated, free of distractions, an appropriate temperature). For computer-based test administrations, sufficient workspace should be provided for students to use planning sheets, worksheets, and work folders (provided blank pages to plan writing responses, take notes, and/or work mathematics problems). Students must not be able to easily view other students' computer or device screens or materials. If necessary, you may use visual blocks (e.g., file folders taped to the sides of computer screens).

		(24g)	installing the test client on each computer or on the network
		(24h)	conducting an infrastructure trial
		(24i)	resolving any issues that arise during testing
		(24j)	following all instructions outlined in the test administration manual and technology coordinator resources provided by the district and by FDOE
?	25.	O	my school has a sufficient number of computers that meet the current minimum as to test all students within the testing window identified by FDOE and by my district. In

statement 27, please note the vendor and mode for the assessment(s) you select and confirm your computers/devices against the applicable requirements.

(25a.) Describe the ability of your school to participate in computer-based testing by providing the number of computers that meet the minimum specifications for the appropriate vendor(s) (Attachment **H**) and what technology preparations will be put in place to ensure a successful testing experience.

Description of Computer-Based Readiness:

Computer-Based Assessments	Assessment Vendor	Number of Computers That Meet Minimum Specifications
FSA ELA (grades 7–10), Mathematics (grades 7 and 8), and Algebra 1 and Geometry EOC assessments	AIR	
Next Generation Sunshine State Standards (NGSSS) Biology 1, Civics, and U.S. History EOC assessments	Pearson	

Each vendor has an infrastructure trial test to ensure the school's infrastructure can run and support the testing platform. Depending on the assessments you are applying to administer, you are required to conduct one or both infrastructure trial tests prior to testing (if accepted to the program) to verify that your network can successfully administer the computer-based test(s) specified. School districts are not responsible for providing technical support to private schools. Private schools are responsible for verifying that they meet technical specifications and can support the testing platform(s).

FSA ELA, Mathematics, and EOC Assessments:

Refer to the infrastructure trial guide and current technical requirements at http://www.fsassessments.org/technology-resources/. The infrastructure trial test also requires a secure browser, which may be downloaded at https://fsassessments.org/technology-resources/secure- browsers.stml.

NGSSS Biology 1, Civics, and U.S. History EOC Assessments:

Refer to the infrastructure readiness guide and current technical requirements at http://florida.pearsonaccessnext.com/technology-resources/ under "Online Testing Infrastructure Readiness."

- 26. If approved to participate, I understand that I must work with the school district to receive my school's secure test materials before testing and to return them after testing, and that this may involve retrieving materials from and returning them to a location specified by the district. Materials must be retrieved from and returned to the district in a timely manner.
 - 27. I have identified the assessment(s) that we would like to administer at our school in 2019–20 and the projected number of participating students in column 27a in the table on the following page. I understand that testing slots are limited, and while there may be small fluctuations between these projected numbers and the actual numbers at the time of testing, any fluctuation beyond a few students in each subject must be approved by FDOE.

For each test the school plans to administer, provide the number of students who will participate in each administration in the table on the following page. Students may only participate in grade-appropriate subject tests. (For example, use this year's grade 4 class to estimate the number of grade 5 students.) **Enter "0" if your school will not offer the grade/subject assessment.** Please be aware that FDOE will compare these numbers to the annual private school survey for accuracy. In addition, all schools must provide details about any paper-based accommodations required for students. If approved to participate, you will be required to provide supporting documentation demonstrating the need for the paper accommodations.

Please note that the FSA ELA Writing Assessment is one component of the FSA ELA Assessment. A school administering the FSA ELA Assessment in grades 4-10 (grade 3 does not have a Writing component) will automatically be enrolled in both the Writing and Reading components of the FSA ELA Assessment. Students MUST participate in both components to receive an FSA ELA score.

Apply to administer only those assessments that are appropriate for student populations at your school (e.g., lower grades schools should not apply to administer EOC assessments if not appropriate). If approved to participate, those assessments MUST be administered to all students in that grade level/subject at your school (e.g., if approved to administer the Grade 7 FSA ELA Assessment, ALL grade 7 students must participate in both components of the Grade 7 FSA ELA Assessment).

^{*} Administration windows are approximate and are subject to change. The district will provide the actual administration windows for each assessment. To reduce the risk of item exposure, all schools within a district must take the same test according to the same schedule.

^{**} In order to participate in a computer-based administration, the school must have a sufficient number of computers to test all students within the testing window. Refer to the computer-based testing specifications (Attachment H). A limited quantity of paper materials is available for eligible students with paper-based accommodations. Schools will be required to provide supporting documentation for paper-based accommodations. An insufficient number of computers does not qualify a school to order paper-based materials.
