STUDENT DATABASE UPDATES 2425

**AUGUST 8TH,
2025**

STUDENT COURSE TRANSCRIPT INFORMATION - REJECT RULES

 18. The Course Grade code must be A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F, I, ~~IP~~, N, NNN, U, P, S, SB, T, E, WP, FL, NG, W or WF and must be right justified with leading blanks. -record rejected-

EXAMPLE

In the example below, records two and five would be loaded to the database assuming no other reject rule would cause the records to be rejected. Records one and four would be rejected since they contain invalid codes. Record three would be rejected since the Course Grade is not right justified with leading blanks.

Course Number	Credit Earned	
	Course	Course Grade
* 1005300	100	OOA
0900310	050	B+
* 0400330	100	C+
* 1200350	050	WC
1200350	050	P

DISTRICT RESPONSIBILITY

If the rejected records should not have been submitted, no action is required. However, if the district wishes the data in the rejected records to be loaded to the database, the district must correct the Course Grade and resubmit the records.
